**PRESIDENT'S LETTER**

Welcome:

The last couple of weeks we have had Winter snow, March winds, April Showers, and Summer temperatures in the 70's. The groundhog promised us an early spring and just as the Florida Strawberries started to taste and smell like a real Strawberry they tell us Tomato and Field Lettuce will be non existent or priced out of reach for a few more weeks. **SPRING WILL COME** it just can't quite decide when to settle in. With spring approaching our board is working out details for the state spring workshop. Workshop will be held in late April or early Mar. Watch for registration opportunities in mailing, e-mail, and on the Website soon.

Another great opportunity for much of our area is National' first one day workshop to b held in nearby Atlantic City New Jersey. Only 3-4 hour drive for many parts of Maryland and Delaware a chance like this doesn't come around that often.

I would like to again **THANK** this year's officer's Mary Ellen O'Connor, P r4esident Elect, Bonna Brown, Treasurer, Sandi Coradi, Secretary, Bonnie Hollingsworth, Immediate Past President and Wayne Kuhn, States Spokesperson.

In addition to these fine officers I would like to THANK the various committee chairs that have stepped up to enhance our board. Virgie Small is continuing as Newsletter Editor, and Webmaster, this is no easy task without the help of all committee and board members. Please send reports and articles to Virgie's as requested. A new feature in the newsletter is a recipe review by past president Bonnie Hollingsworth, Each issue she will be selecting a recipe from the Foundation Cookbook, publishing it, preparing it and giving us her review.

Deb Canfield has returned as chair of the membership committee. She diligently continues to send welcome package to new members, contacts

dropped members to see if we can help then get reinstated and helps man the registration table at the workshops.

Virginia Stoner continues a the states historian keeping records of our past and preserving our future If you have any pictures, newspaper clippings, or other items of DMA interest please forward them to Virginia for preservation. M member is also needed to take pictures at the meetings (Virginia has the camera, contact her if you can help)

Deb Schyllander Bass our program chair takes care of contacting speakers, preparing program, and organizes our workshops. If you have any ideas for speakers, and would be willing to host a workshop at your facility or an help with a workshop
