

Alabama ANFP Newsletter March 2019

Hello AL ANFP Members,

We had a very successful Spring Conference and those who attended earned 14 CEUs. We received great feedback from our members that they really enjoyed the speakers, interacting with one another, the hotel and the food. Everyone who attended also received a bag with goodies and a door prize.

Congratulations to our AL ANFP 2018 CDM of the Year--Angela Mims!!

Thank you to the volunteers who assisted either behind the scenes or on site to make our conference a success: Jean Norsworthy, Kathy Harris, Candy Rowland, Mary Lue Edwards (also recognized for her 14 years as Treasurer), Barbara Holly, Tabitha Johnson, Lucette Azubike, Tayasha James, Denise Williams, Arnita Beatty, Donna Bennett, Michael Fulton, and your board leaders, Richard Walls, Janice Blackmon, Jodi Stephens, and Angela Mims.

We collected a total of \$300+ between our fall and spring to contribute to the Children's Hospital of Alabama. We also captured activities that our members have performed with children since June, so if you have anything else to provide please send it in a separate email so I can include it in our Diamond Award package. Activities captured so far but not also inclusive are: Tutoring, collecting and donating school items, giving children Christmas items, working with church on youth projects, hiring youth initiative, mentoring program, helping with school activities, donating to charities focused on helping kids, working with foster parents, helping kids with mental disorders/abused, etc.

NOTE: Please email me pictures of your activity with children ASAP so I can include them in our write-up.

Does anyone know one of our state elected officials?
