

With deepest Sorrow

NC ANFP Family,

With deepest sympathy I bring you the news that Lisa King passed away today, please continue your prayers for the family during this time and the days to come.

Lisa worked tirelessly to serve the members of our Chapter for years in many different capacities, actually every position on the board and most multiple terms. I have reminded us all before that without the past there would be no future and Lisa was a living testament to this statement. The effort, time, commitment and as her family has stated "Love of the DMA" will forever be a part of our legacy.

The true mark of a leader is not how you lead today, but more of the seeds you planted for tomorrow and how they continue to flourish. How fitting that she was honored as our first Legacy award recipient during our Fall meeting last year.

This Chapter has seen joy and pain , victories and defeats , agreements and disagreements, rights and wrongs, but through it all Lisa stood for what would make us better. **All for her love of NC DMA / NC ANFP** and for this we will be forever grateful.

I will forward more information as it becomes available for her services.

Thank you Lisa for your Love of NC DMA / ANFP !
