## News/Updates

Recently in July, we all received email from ANFP regarding CMS document posted on PROPOSED changes to the Long-Term Care CoP's Conditions of Participation/Medicare and Medicaid Programs Requirements for Long-Term Care Facilities. Included in the changes is the education requirement for Director of Food and Nutrition Services. As mentioned in the circular, the current rules are still in effect. The proposal is still open for comments. This is where we need to participate and be proud of our credentials as CDM, CFPP. To know more and to be able to post comments, follow this link [CDMsMATTER](#). You can also go directly to the regulations page - [Post comments here](#). ## **California Chapter Call for Volunteers**

It's that time of year to transition into the new volunteer year. We are looking for volunteers to join our chapter. We had a successful 2018-2019 term. Do you want to be a part of the team that shapes the future of the 2019-2020 ANFP California Chapter?

### **What are we looking for?**

CA ANFP is looking for individuals from all foodservice industry and nutrition backgrounds, with varying levels of skills. We are seeking dedicated members that are proactive and embrace change, and that wish to see the California Chapter thrive. We are looking for members who would like to be more active in ANFP, including retired members as well as pre-professional members. Help and support the chapter with small tasks and projects, all members are encouraged to volunteer.

To learn more please  
contact: [caanfp@gmail.com](mailto:caanfp@gmail.com)

### [The Chapter Connection](#)

State chapters are a vital component of ANFP, offering members local benefits including educational programs, networking opportunities, and connections to professional growth...even jobs! ANFP thrives because of the efforts of its volunteers. The association grows in credibility and reputation as a result of volunteer input, and each

volunteer gains experience and leadership as a result of participation in ANFP activities.

**When do your credentials expire? If you don't know it's a good idea to find out:**

- How many CE units do I need to keep my credential?
- How long do I have to achieve?
- Where should I go to get CE units?

The Annual Conference and Regional meetings are a great place to earn a lot of CE units in one place. If that is not possible you can purchase bundles on the ANFP website.

Check the CE opportunities by clicking here. [CE Units on Sale](#)
