

ANFP ACE Spark Session Application Form

8 MINUTES. 10 SLIDES. COUNTLESS LESSONS LEARNED.

What inspires you?

What words do you live by?

What is your personal mantra?

Spark ideas and change in others by being part of our Spark Session for ACE 2019. Share your story while increasing your presentation skills, boosting your resume and creating a Spark of learning for all attendees!

ANFP Spark Sessions are rapid-fire learning experiences that happen in 8-minute increments, featuring topics selected and presented by you as an ACE Meeting attendee. The idea behind ANFP Spark Sessions is to create a series of carefully timed 8-minute segments, with 10 slides per presenter, to deliver a unique 'spark' of inspired learning.

We invite you to be a part of this year's annual conference. We are looking for attendees who have a passion around a topic and would like to share with other attendees. You can improve your speaking and presenting skills while inspiring others. Help us create a unique and fun session!

Not sure about this? Don't be intimidated. ANFP Spark Sessions are designed for anyone...in fact, they are perfect for the novice who has a story or idea to share in a fun environment. If you are selected to present, we will even pair you with a coach to help with the development of your presentation, and provide you with a PowerPoint Template so you can create your presentation with ease.
