Greetings, Iowa ANFP!

We finally got a little bit of snow here in central Iowa. Many have been wishing for it and some say it doesn't seem as if it's time for Christmas without it.

I trust that all of you are staying VERY busy with all of the parties, menu changes and general busyness at work. I am certain that in addition there is much planning and further preparations for your personal celebrations with family and friends.

Just a few updates to share with you at this time.

1. Washington County Health Center is in need of a CDM. If you know of anyone who may be interested in this position, more information may be obtained by sending an inquiry to: mgingerich@wchc.org

2. The IDHCC will be hosting a conference on April 8th, 2018 at the Hilton Garden Inn in West Des Moines. They would love to have you save the date and spend the day with them learning more new things about our industry. Refer to the attached flyer for speakers and topics. It looks as if it will be a good day!

3. President Pam Carberry would like you to be aware that our meeting space is changing. We will be at the Holiday Inn Conference Center across from the airport for our next state meeting. Keep watching your in box for further details.

MANY thanks to those who work the holidays!
Enjoy your time with family and friends.
Stay safe and warm.

Your Executive Committee and Communication Team wishes you the VERY BEST this Holiday Season!
