Grants & Awards

In the past three years, grants were awarded to recipients in 36 US States.

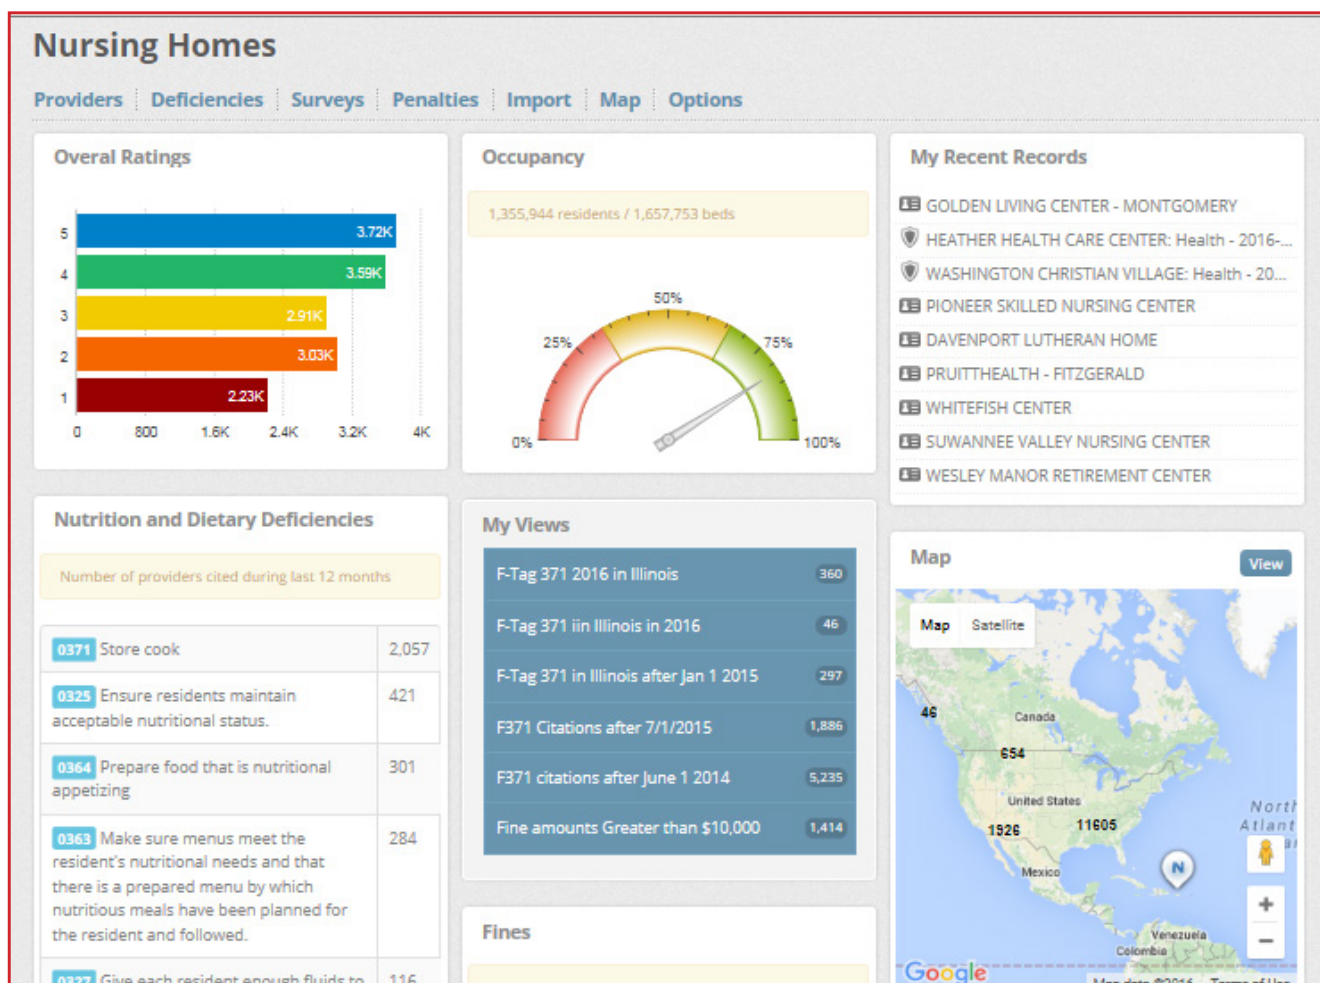

NFEF established the **NFEF Foodservice Department of the Year Award**. This year's inaugural winner was Palmetto Park Senior Living in Palmetto, GA. The award was

presented at the ANFP Annual Conference & Expo, June 10-13, 2016 in Indianapolis, IN. The award was given to the department who most demonstrated teamwork, innovation, customer service, and operational contribution.

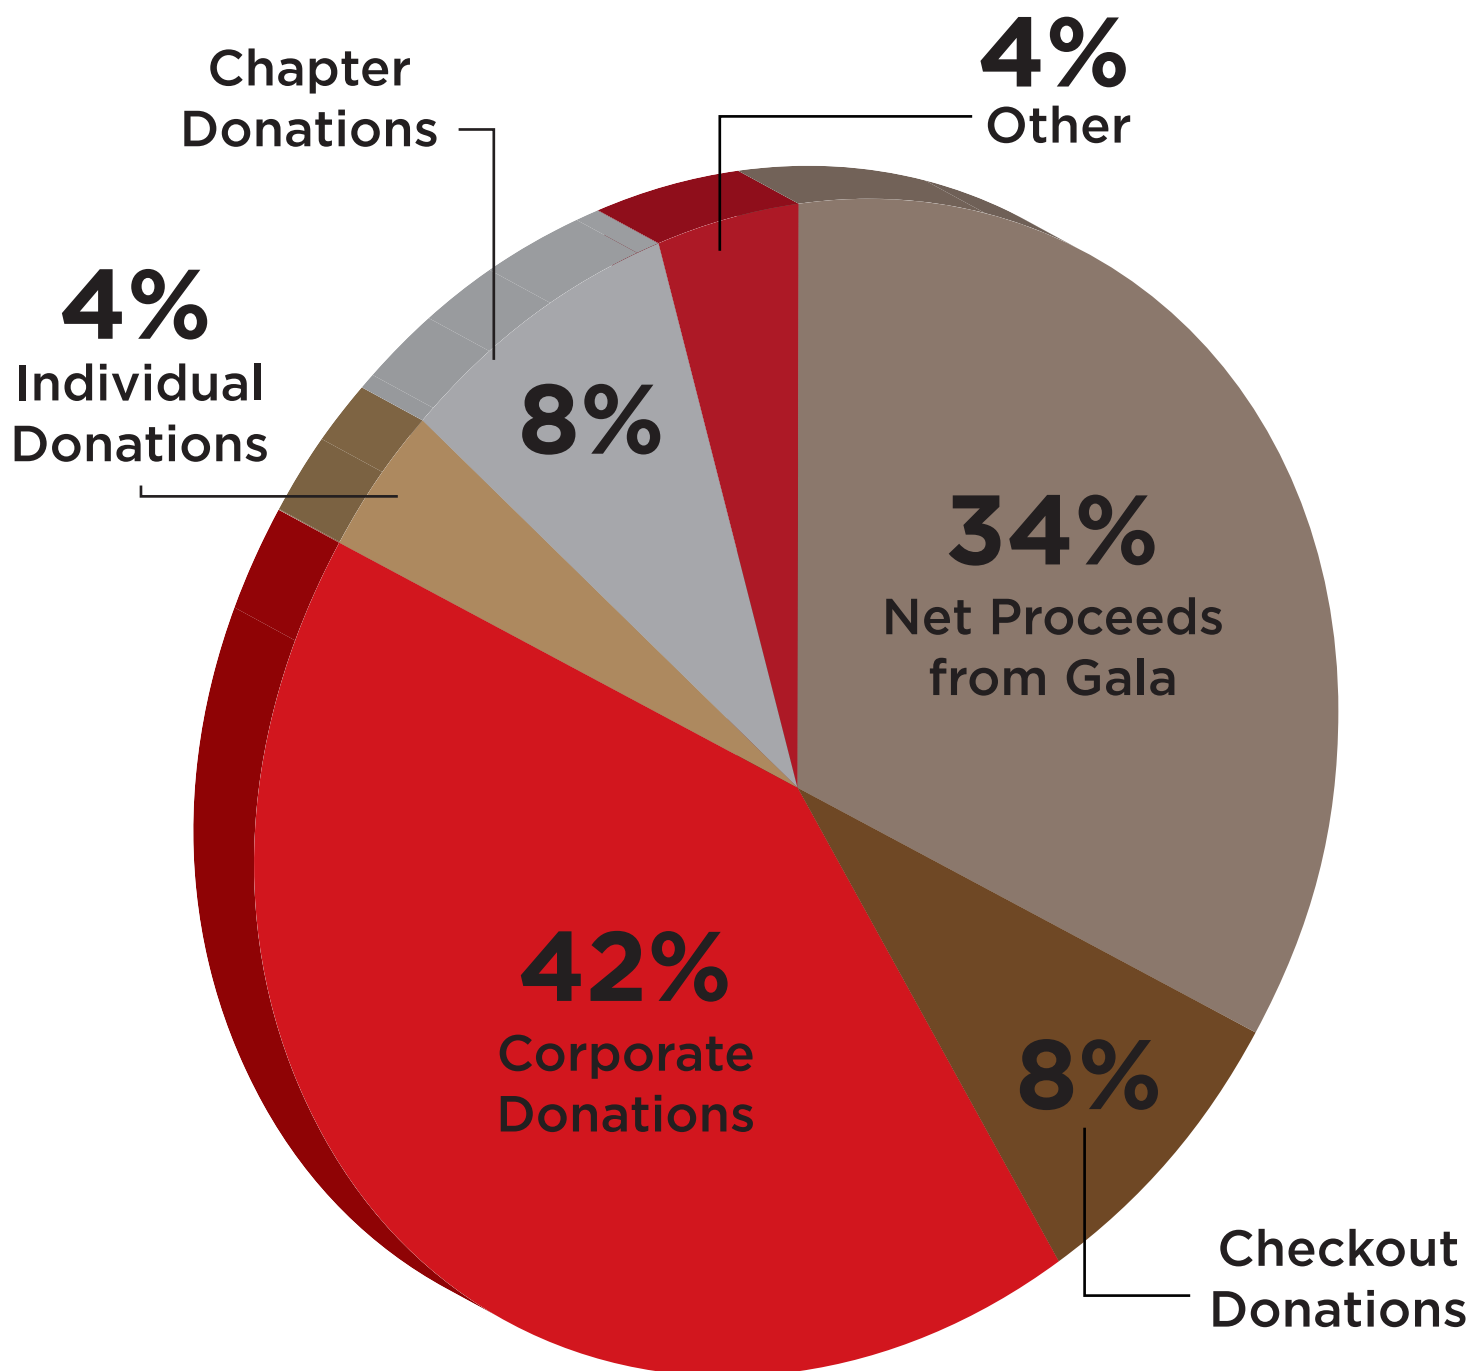

Research

The NFEF Board of Trustees developed an online research tool, updated monthly, based on CMS inspection data. Registration for the online tool is free. A national dashboard has been developed highlighting key skilled nursing facility statistics. Users can take a deeper dive and drill down to individual facility information.
