

Let's Celebrate

September 2026

Childhood Cancer Awareness Month

Educate

- Learn the facts of childhood cancer to better understand the importance of raising awareness.
- Help to educate others and promote awareness on your social media accounts.
- Share these GIFs, flyers or significant facts to educate others and draw attention to childhood cancer.
- Learn about survivors' journeys and hard-fought battles.

Take Action

- Nominate a local hospital or treatment center to receive popsicle donations that help those going through treatment.
- Wear Gold! Display gold ribbons, pins, shirts, socks, headwear, etc. to show public support.
- Volunteer at a hospital near you.
- Send a message of support to children battling cancer.

Chapters

In addition to the tools and resources listed above, chapters can take additional steps to raise awareness of Childhood Cancer Awareness Month at the chapter level:

- Start a collection at your next chapter meeting of items and supplies for cancer patients of all different ages.
- Help to educate others and promote awareness on your chapter's social media accounts.
- Hold a donation collection contest among chapter members and their facilities throughout the state during September. (Besides bragging rights, offer a prize for those that collect the most items!)
- Host a networking event/activity such as blanket-making or hospital care kit assembly. (Contact your local hospital/treatment center to get a list of approved materials/items.)
