What CDM means to me

By: Rosalind Davis CDM, CFPP

C Critical- For 20 years, by going to a Chapter Meeting, I could be the first to bring back information to help my organization. Help our customers. My customers are my clients, fellow employees and vendors. From attending ACE, I am helping spread the word about the benefits of cranberries for UTI and have introduced the concept of speaker in a box.

D Determined- By volunteering it helps me be more confident in helping my family, friends and fellow employees. One year, because of the confidence gained from presenting at a Chapter Meeting, I raised \$2,500 to introduce an organization called Erasing the Distance. (With that money a play was performed to introduce the stigma of mental illness to my community.)

M Manager- It is not easy to manage, but I can't tell you how many times I have gotten insight just from attending Chapter Meetings; especially, on how to relate to millennials. It has helped me so much with the millennials I manage, as well as, fellow coworkers and customers.

ILANFP NEEDS YOU to Step Up and Win Platinum or even the Diamond
Your Chapter needs you to volunteer for a position on the ILANFP Board and gain leadership skills as well.

You get training and can offer ideas and suggestions as to the needs of the members the Board may help to support with your volunteerism. Your Chapter elections will be held in October 2018. We are looking for individuals to help the Chair-person already there or become the Chairperson of the Membership, Ways and Means, or Meeting Logistics Committees. The Chapter President-elect, Rosalind Davis, has available job descriptions for these positions and would be happy to discuss these with you. Her email address is rdavisil@yahoo.com. You may also express interest to Linda Waite at lwaite@adams.net or any Board member.
