

June is National Dairy Month

National Dairy Month started out as National Milk Month in 1937 as a way to promote drinking milk. It was initially created to stabilize the dairy demand when production was at a surplus, but has now developed into an annual tradition that celebrates the contributions the dairy industry has made to the world. After the National Dairy Council stepped in to promote the cause, the name soon changed to "Dairy Month."

National Dairy Month is a great way to start the summer with nutrient-rich dairy foods. From calcium to potassium, dairy products like milk contain nine essential nutrients which may help to better manage your weight, reduce your risk for high blood pressure, osteoporosis and certain cancers. Whether it's protein to help build and repair the muscle tissue of active bodies or vitamin A to help maintain healthy skin, dairy products are a natural nutrient powerhouse. Those are just a few of the reasons that you should celebrate dairy not just in June, but all year long.

I had the pleasure of attending this years 100th National Restaurant Association Show in Chicago, Il at the end of May. This was an incredible experience for me. There was over 2400 exhibitors across 3 massive floors and between 50-60,000 attendees at the show. We have a lot of overlap with the restaurant industry and I saw a lot of familiar brands like Ecolab, Hobart, Cambro, and Sysco with all the great products they offer along with new items coming out. I also saw more new equipment, products, food, and ideas than I know how to process. I have a stack of information to go through and a few ideas that I want to try and implement into our organization in the Arbor Cafe and at the coffee shop, Mocha Molly's, that I manage. I look forward to talking more with our Wyoming ANFP members about the show and will use our Facebook to highlight these ideas as I sort through the information I brought home.

I look forward to seeing those of you that are attending ACE this year! I also believe the first Young Advisory Council face to face meeting will happen at ACE this year and I will have more information on that for everyone as well.

The FSA Food Show in Deadwood was fantastic! There are many vendors out there making changes in their products to assist our industries at a higher level. Our 2019 Wyoming ANFP Spring Conference was a great success! We teamed up with Utah ANFP and had many positive responses to our speakers and topics.

At our facility, The Arbor Café at the Memorial Hospital of Converse County, we held our 4th Annual Mother's Day Brunch. We sold 151 brunches on May 12, 2019! Four years ago on Mother's Day, we started serving our Sunday Brunch and have continued every Sunday since then. Our community appreciates this and to my knowledge we are the only ones in our town that offer a Sunday Brunch. Unfortunately, I did not get pictures of our event.

The 2019 ANFP Annual Conference & Expo is coming up in June from the 26th-29th. This is such an excellent opportunity for not only credits; but also the networking with others in our profession. We gain so much knowledge and insight to help us in our own facilities. ACE is also an opportunity to keep up with best practices and what has worked or hasn't worked for others.

Should you have any ideas, topics, concerns, questions or comments, please do not hesitate to contact us! You may contact us through our emails; telephone numbers; or through the Wyoming ANFP Facebook page!

Remember . . . we all make a difference and bring about change!

Greetings Wyoming ANFP Family,

I first of all would like to congratulate Dawn Cooper, Toni Skaggs, and Cathy Oberback for hosting an excellent spring conference. I had several members tell me this was one of the best ones they had attended. Thank you Dawn for hosting in Evanston. It was also great to meet and collaborate with our Utah neighbors and even had a member from Idaho join us for a day. The speakers were excellent and I came home with a lot of great ideas.

I also would like to congratulate all Wyoming ANFP members on the awards that we will be receiving at ACE in St. Louis. We received the **Membership Award, Communications Award, Government Affairs Award, Platinum State Achievement Award, and we are a Diamond Nominee once again. Toni Skaggs, our State President also won the Horizon Award.** This is the 2nd year that this award has been given and Wyoming has won it both years. I am extremely proud of the members and their dedication to our profession. Every single one of you make a difference.

I am also including a quote from Abigail at Headquarters regarding our awards. *"We would like to note how impressed we were with your hard work and dedication to this chapter as noted in the bi-annual chapter rebate achievement report. You are all serving our members well through your efforts and countless hours of volunteer work. You have set the benchmark for those volunteer leaders that are coming up the ranks. We hope you are proud of your success and achievements as chapter leaders. We certainly are! Excellent job and THANK YOU!"*

Again, CONGRATULATIONS!! We might be small but we are MIGHTY!!

Hope to see you in St. Louis.

Once again, as it was last month, it is raining. However, this time the trees are budded out, spring flowers have bloomed out, gardens are or have been planted, and it's looking much more like summer. Be sure to send me your articles and photos on the events you are doing at your facilities and brag up your facility. We want to know what you are doing.

Dues renewal time is here. Be sure to check on-line at anfponline.com to check your information, so you do not miss the dues deadline and are required to pay late fees. Dues deadline is August 31st.

Until next month.....Live Long, and remember.....**Failing to Plan is Planning to Fail!**
