About National Food Safety Month

The National Restaurant Association's National Food Safety Month was created in 1994 to heighten awareness about the importance of food safety education. Each year, a new theme and free training activities and posters are created for the restaurant and foodservice industry to help reinforce proper food safety practices and procedures. The training materials are based on the association's ServSafe food safety training and certification program, which is the industry's gold standard for such programs.

For more information, visit FoodSafetyMonth.com.

Founded in 1919, the National Restaurant Association is the leading business association for the restaurant industry, which comprises more than 1 million restaurant and foodservice outlets and a

workforce of 14.4 million employees. We represent the industry in Washington, D.C., and advocate on its behalf. We operate the industry's largest trade show ([NRA Show](#) May 20-23, 2017, in Chicago); leading food safety training and certification program ([ServSafe](#)); unique career-building high school program (the NRAEF's [ProStart](#)); as well as the [Kids LiveWell](#) program promoting healthful kids' menu options.

For more information, visit Restaurant.org and find us on [Facebook](#), [Twitter](#), and [Instagram](#).

Hope to see you all next week. It's not too late to join the Fall Conference in Eau Claire. We will have some great speakers and a tour of Chippewa Veteran Home.

Just a reminder that we will be collecting for the Eau Claire food pantry at our conference. Our goal is to get at least 200# of goods. I will post the list of items needed in this newsletter again. Make sure nothing is outdated as they can't use those just like us in our facilities. Everyone that donates will get a raffle ticket for some great/fun prizes. The more you donate the more raffle tickets you get. 1 ticket for up to 5#, 2 tickets for up to 8# and 3 tickets for anything over. If you prefer to donate money that is great also. It is a very good cause. Also, if you have done something for your local food pantry please share info with me because it will all count and help us work towards the Diamond award.

Please feel free to contact me or any of the board members if you have any questions/concerns.

I am very honored to be your WI ANFP President and I will do my best to help our organization grow with your help.

The Government Affairs Committee Impact Team ANFP Members for 2018/2019 is: Renee Taylor, Marcia Kittleson, Laura Knutson, Marlene Adelmeyer, Penny Matuszewski and Millie Zarate.

On July 16, 2019, CMS posted a document of PROPOSED changes to the Long Term care CoP's conditions of Participation/Medicare and Medicaid Programs Requirements for Long Term care Facilities.

One item CMS is proposing to changes to, is the education requirement for Director of Food and Nutrition Services. Their rationale is because stakeholders are "concerned about a workforce shortage of certified dietary managers and the financial costs imposed on existing experienced staff to obtain specialized training". CMS acknowledges that set standards for the person leading the department is important.

This is only a proposal and is open for comments, so the CURRENT RULES ARE STILL IN EFFECT. Once the comment period is over, CMS will review and thoroughly vet them before any decisions and rule changes will be made. ANFP is currently analyzing this proposal and preparing comments to help maintain the standards of our CDM CFPP credential.

CMS looks forward to feedback until September 16, 2019. Comments may be submitted electronically :

As a Certified Dietary Manager, Certified Food Protection Professional, we need to share our expertise with the Government Officials, so they better understand how we are trained and qualified professionals. A Certified Dietary Manager, Certified Food Protection Professional (CDM, CFPP) has passed a nationally recognized credentialing exam offered by the Certifying Board for Dietary Managers. Continuing education is required to maintain this credential. The exam is written by content experts, and administered by an independent professional testing company. The exam consists of 160 questions that have been pre-tested and proven valid and reliable. Questions cover five competency areas which fall under these major headings: Nutrition, Foodservice, Personnel and Communications, Sanitation and Food Safety, and Business Operations. Please contact members of the Impact Team or Sheila Luhman CDM,CFPP– Sheila.luhman@atticangel.org.

It's been a fast moving and very busy summer! Where did the summer go? The high school and college football season has started, and the pro season is getting underway on Sept. 5th. Have you got your tailgate parties planned at your facilities? Sunday or Monday night football specials planned. Share them with us! We want to know what you did in your facility. Send me what you did along with some pictures and I will get it in the newsletter.

September is National Food Safety Month. What did you do to promote this in your facility. I know there are creative minds out there. Again, share with everyone so that we can get everyone doing September National Food Safety Month events.

Until next month....Live Long, and remember.....**Failing to Plan is Planning to Fail!**

As of July 30, 2019, the Wisconsin ANFP is **394** members strong; **323** Certified Professional members, 71 Professional non-certified members. Please contact any officer, if you know of a new member or student, so we know who they are and how to keep them informed about events taking place in the Wisconsin ANFP.

Welcome New Members!!
