Hope your new year is off to a great start!

Our new year kicks off with another state workshop in the East District! In our daily changing professions we are listening to your survey answers, and trying to work as many of your suggestions into each workshop. East district has a great line up for this next workshop. The two listed speakers spotlight important information you will be given. As always, every workshop has many vital aspects to further educate you in your profession and the people that surround you at work.

Martha Bryant is a management consultant, author, and speaker. Who speaks nationally and internationally regarding the development of human potential and personal excellence.

Walt Stasinski is the son of and hard-working Polish immigrants who came to the U.S. with not much more than the clothes on their backs. My father worked in a factory to bring the American dream to his family. I didn't start talking until I was three years old. By that time, my parents were ready to take me to a specialist. Ironically, here I am now, a professional speaker. I guess I am trying to make up for lost time.

We hope you a fun and educating workshop this spring and continue to support ANFP Kansas. See you there!

Remember Kansas ANFP ROCKS!

ALL ABOARD TO NUTRITION!

President

Leonard Turpen, CDM, CFPP

foodpaws@gmail.com

As my term of president comes to a close, I want to take the time to let you know how proud I have been to lead this Chapter for the last 2 1/2 years as we realign with the changes at nationals.

There are several people I want to thank, especially all those who have supported me, and been there for me over these past years. It would take a full page to list everyone! There are many wonderful members to meet and I hope that each one of you get to know them as I have. I strongly believe in what a cook once had told me, *"You are as strong as the team around you"*. This goes for both - being in office and at work. I will still be around and an active member. For now - *Thank you all!*

Remember Kansas ANFP ROCKS!

President elect

Donna Bateman, CDM, CFPP

donna.bateman@LMH.org

What a great year this has been, I really enjoyed the holidays and hope all had a great holiday as well.

As requested from your last board meeting, I met and started an Expo committee. Attending was Janice Hemel, Steve McCoy, Darcy Weninger, Debbie Harris, on November 2nd in Salina. We discussed the committee set up the items that needed to be checked on. We all agreed that we need a leader of the committee along with the state president elect and incoming president elect, with the president and president that is hosting the fall workshop; along with one representative from each district and 2-3 vendor. Janice Hemel is going to set up the state meeting guidelines and to create a policy for the committee. It was suggested that we ask Paula Bradley to be the committee chair. We all left on a very positive note and felt good about what we had accomplished.

Good year so far has met with vendors for the fall meeting and have a plan. A policy has been set along with a meeting committee. Paula is the chair for the vendor meetings. Information needs to be out as soon as possible. We need to plan as far out as possible with the date and place a year prior so that it is on the vendor's calendar.

Watch for Kansas Healthcare and the Dietitians meeting as well as when other states have meetings. The committee needs to include members from each district. Vendors have asked that we do not have the vendor show as our lunch. Janice has updated the state meeting guidelines. Fall meeting will be October 16-18, 2019.

Secretary

Matthew Schlagel, CDM, CFPP

mschlage@mhsks.org

We collected over 1500.00 in our Cans for Cash drive to send Kansas veterans to Washington DC on the honor flight.

I have enjoyed my time as secretary for our chapter and look forward to being able to continue to serve in the future. I will be working to put all of our minutes on the state website so that we can maintain and look back at our history better. I will send what I have to ANFP to upload to our website.

Treasurer

Alberta Andrick, CDM, CFPP

Treasurer's report 2/28/2018

Paula and Diana do not plan to order anything new for the spring meeting. Please check out our large selection of great gift's that benefit our Kansas ANFP.

Historians

Mandy Craig, CDM, CFPP

Becky Robinson, CDM,CFPP

MANDY

BECKY

Becky reported that she is still working to get Historical information on thumb drives.

Policies & Procedures

Janice Hemel, CDM, CFPP

Janice reported that she will be working new guidelines for state workshops. Janice reported that she is working on the Tax policy and state guidelines for meetings. 1 hour per year of professional ethics. We need to be creative on getting the professional ethics classes so that it is not the same every year beginning June 1st of this year. Janice reported that as part of the national chair position she got to sit on the certifying board to determine if CDM's can keep their certification. Each year the board is seeing more and more CDM's is reviewed for their certification. Paula read that the upcoming requirement falls in line with the credentialing exam blueprint. The announcement about the change was seen on the Edge express.

• Communications •

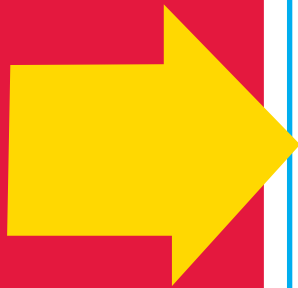

Interim - Leonard Turpen, CDM, CFPP

Matt reported that he is still looking at various e-mail providers to determine which one will work best.

I asked Matt about the "Group Me" app or developing an app of our own in which we will look into further.

I am handling the Newsletters - but we are still looking for a team to take over the newsletter and communications. I can't do this much longer!

We need a ambitious, creative and visual person to consider taking over the newsletter as well as communication chair. Contact me if you are interested in this important position for Kansas ANFP! We will be happy to train you!

clcothern@yahoo.com.

State Spokesperson

Cindy Cothorn, CDM, CFPP clcothern@yahoo.com

Hello everyone! I hope you are enjoying our bi-polar weather. I want to thank you for all the cards, thoughts, prayers and good wishes you have sent over the past 6 months or so. You have no idea how much they meant to me and my family. Also, thank you for the flowers you sent while I was in the hospital.

I am currently working on Day At the Capitol and will have a date for you soon. I am also working on my Government Affairs Award. I am sending Leonard a "Call to Action" to add to this newsletter. Please check it out and follow your heart on it. It is in regards to client obligation on home care, HCBS. Most people think this is based on income but many people are paying one fifth of their income for this. One person I know brings in 1001.00 per month and pays 254 for this service.

CALL TO ACTION

You may or may not have heard that there is advocacy happening to eliminate the requirement for Client Obligation for Home and Community Based Medicaid waiver services in Kansas. We need your help.

Please:

1. Write and Call Governor Kelly. As we all know **Governor Laura Kelly** is a champion for people with disabilities. We want to thank her for being a friend and ask her to make client obligation go away so people with disabilities can afford to live in the community AND get the services they need. Please email the Governor at constituentservices.representative@ks.gov and call her office at 785-368-8500. Please get as many people who pay client obligation to tell their story as well. Ask her to change the regulation that keeps the client obligation and eliminate it all together.
2. There is pending legislation to eliminate Client Obligation for consumes on HCBS waivers but the Senate bill has not made it out of committee for a hearing. House Bill (HB) 2205 have been introduced. It is time for a great advocacy push to legislators so they can understand that this needs to happen, your voice can make a difference in getting this accomplished. We have all seen the challenge of watching someone try to live on \$747 per month. Contact your own legislators and tell them about the issue. And, write to members of the house appropriations committee, follow this link for their names and addresses: http://www.kslegislature.org/li/b2019_20/committees/cte_h_apprprtns/1/

Some points you may want to include:

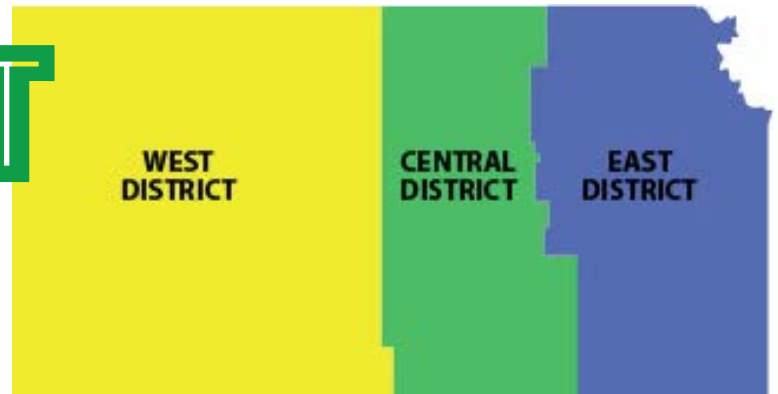

- That \$747 is not enough to live on the burdensome administrative process for everyone.
- The fiscal note is \$12 million but the burden on consumes, providers and the state system is far greater.
- The HCBS and KanCae oversight committee recommended that this bill be introduced after years of testimony.
- Alabama, Colorado, and Iowa along with many others, allow a person 300\$ of SSI, Kansas onl allows 150% of SSI.
- People with disabilities and older adults should be able to keep the money they have earned.
- People are able to continue to live in their homes and support their local economies.
- Any other points you want to make.

IF there is a hearing on this bill (and we will keep you posted) we will need stories, both written and in person, to let people know that client obligation needs to go away. Send those to Governor Kelly as well.

So, get people writing to committee members, ask people to get ready to testify (We don't know when yet) and write to your own legislator. Also, call the Governor's office and send her an email to let her know this is important.

DISTRICT NEWS

East District

Donna Bateman, CDM, CFPP

We have been working on the spring workshop to be held on April 10, 11, and 12 in Lawrence at the Douglas County 4-H fair grounds. I have two professional motive speakers, Walt Stansinski and Martha Bryan booked to speak on the 11th and finalizing the meeting now. Sent in for a total of 13 CEU's, one for Wednesday April 10th, 8 on the 11th, and 4 for the 12th but still awaiting to hear back. The registration will be out this week. We had our current President Elect has resign and will be looking to try to fill her position. Can't wait to see all of you!
