STATE NEWS and INFORMATION

From the Desk of Susan Gerrie, NC ANFP President

Hello and well wishes to all. I am honored to be a part of such a wonderful state chapter and I look forward to serving North Carolina to the best of my ability.

As this term begins, I want to say that our Chapter has been very diligent about identifying the future direction of our State as well as our career field. I remember at our first trip to New Bern we discussed the future leaders of our organization and how important it was to factor in the age gap. We wanted to find a way to connect the past and the future as one. This brings me to the continuance of that vision.

It was John F. Kennedy who said, “Children are the living messages we send to a time we will not see.” Let’s now look at our future by reaching out to the children and young adults of our community. Let us begin a “Grass Roots” network of Dietary Managers that help feed children both food and knowledge. We should seek further into our heart and soul to reach out to children. Let them be the future of our profession, our lives and our success. Every child should have food to eat and the opportunity to learn.

Now, let us take our vision...to infinity and beyond...

Sincerely,
Susan Gerrie CDM CFPP

MESSAGE FROM IMMEDIATE PAST PRESIDENT, Omar Humes, CDM, CFPP

THANK YOU! FOR A GREAT RIDE!

The year has come to a close, and we are poised for great things to come as a Chapter. I am excited to turn the reins over to a Board stronger than during my tenure and a president full of ideas and energy. Personally, I am looking forward to the heights the incoming and future Boards will soar to in our Chapter. The mark of great leaders is the abilities to pull others forward. NC ANFP is going forward, and I am proud to have been given the opportunity to serve.

Remember, “without the past, there is no now; without now, there is no future”, simple words but ones to help guide us. This journey started with quite a few curves and bumps, but in the “finishing stretch” we are on a “straightaway” picking up high speed! Once again it has proven, it isn’t how you start but how you finish, and we have finished strong.

To celebrate, our chapter held its first ever “Family Fun Day” on June 16th at High Point Lake City Park, Jamestown, NC. It was a day to relax, have fun and get to know each other better.

Thank you for all your support, encouragement, kind words and willingness to change and for all you do daily in your communities.

A BLAST FROM NATIONAL ACE

This was my first experience attending a National Conference and EXPO. I had the *best time* of my life at a Conference! There was so much information we were being taught and so many ideas being shared. I *loved every minute of it!*

The best event that I attended was the “DISASTER PLANNING”. There were members at the table from Florida, Oregon, Texas and Alaska to whom I listened. Each state has different types of Disasters and different rules for handling these. After that discussion, I have chosen to not complain about our North Carolina “*thunderstorms*” any more!

You won’t believe it! I forced myself to sit with different folk at each seminar. By doing that, I met CDMs from all over the country. It was such a relief to learn that they are having the same issues with staffing that I have. Our problems are for the same reasons. None of us are immune it appears.

What a wonderful time this was and making many new friends. We laughed and ate and ate and laughed some more. So much information was everywhere. I gained more insight into ways that I brought back to use to improve my job I have been called to do. All of this will enable me to do a better job for my “RESIDENT FAMILY”, so I may serve them better.

I look forward to future ACE Events as well as our NC ANFP Conferences!!
