Volume 45 Edition 1

August 2018

A Message from our President:

Summer Greetings,

We had a wonderful meeting at ACE in Orlando, FL. Our WA chapter received two awards at the conference; Membership, and the Platinum Chapter Achievement Award. Also, our very own Karen Werner was elected onto the CBDM board! Congratulations, Karen, and thank you for representing Washington on the national level. I would like to thank each of you for all your support. We would love to put our state in the running for the Diamond Award and if you have any suggestion of what we can do, please send us your ideas.

We are gearing up for our Fall workshop on September 21-22, 2018, at The Kennewick Red Lion in beautiful Kennewick, WA. Please schedule in advance to attend. We have some exciting speakers.

We are in need of volunteers to lead our awesome chapter. This is a great opportunity to develop and grow your leadership and presentation skills, as well as receiving board member perks! Those positions available are:

- President-Elect
- Treasurer-Elect
- Secretary

Maybe you are not ready to take on a board position but want to become involved and learn more about us. We are always in need of other volunteers to keep this Chapter strong. Even if you cannot commit a lot of time everyone can find a little time to give his or her time to step up! Areas needed include assisting with registration, introducing speakers, setting up for the conference, etc.

Changes are coming for 2019. We will not be co-hosting the workshop with the WS-DHCC. This was a mutual agreement decided upon by both boards. This will give us the opportunity to focus solely on the needs of our WA ANFP membership. We'd love to hear from each member what your WA chapter can do for you! The WA ANFP will be hosting a one day conference which will be jammed packed with exciting information. Location TBA.

FYI: ANFP's Audit is real!!!! It is very important that you save all your certificates and programs so you will have everything you need in case you get audited. Post your information on ANFP's CEUs site as soon as the conference is over and place your documentation in a folder. You must maintain all your documentation for 3 years.

Mark your calendar for these future events:

- 2019 ACE conference/EXPO will be in St. Louis, MO, June 20-23, 2019.
- 2020 ACE conference/expo will be in Las Vegas at the Tropicana hotel June 15 - June 18, 2020
- 2021 ACE June 03 - June 06, 2021 Renaissance Sea World, Orlando, Florida

Thank you all for giving me the opportunity to serve as President of such a wonderful Chapter.

If you have any questions or concerns, feel free to contact me by email or phone.
