### **California Chapter Call for Volunteers**

It's that time of year to transition into the new volunteer year. We are looking for volunteers to join our chapter.

### **What are we looking for?**

CA ANFP is looking for individuals from all foodservice industry and nutrition backgrounds, with varying levels of skills. We are seeking dedicated members that are proactive and embrace change, and that wish to see the California Chapter thrive. We are looking for members who would like to be more active in ANFP,

including retired members as well as pre-professional members. Help and support the chapter with small tasks and projects, all members are encouraged to volunteer.

### The Chapter Connection

State chapters are a vital component of ANFP, offering members local benefits including educational programs, networking opportunities, and connections to professional growth...even jobs! ANFP thrives because of the efforts of its volunteers. The association grows in credibility and reputation as a result of volunteer input, and each volunteer gains experience and leadership as a result of participation in ANFP activities.

### **When do your credentials expire? If you don't know it's a good idea to find out:**

- How many CE units do I need to keep my credential?
  - How long do I have to achieve?
- Where should I go to get CE units?

The Annual Conference and Regional meetings are a great place to earn a lot of CE units in one place. If that is not possible you can purchase bundles on the ANFP website.

Check the CE opportunities by clicking here [CE units on sale](#).
