NFEF Updates

The Nutrition & Foodservice Education Foundation established a Fundraising Task Force that was comprised of current members serving on the board of trustees and a Chair. The task force was charged with looking at the overall fundraising efforts and making recommendations for future fundraisers and campaigns to sustain support year over year.

NFEF shared its new partnership with DM&A and announced an all-NEW grant program. The DM&A CDM, CFPP Credential Grant is designed to award a healthcare or senior care foodservice employee who has two years or more of leadership experience that is accepted into an ANFP-Approved Training Program.
