

Benchmarking Program

The Skilled Nursing Facility Benchmarking survey is open for data through May 31, 2026. If you are not a registered participant and would like to report data for this year's study, complete your free registration at www.ANFPonline.org/benchmarking. Participants will have 24/7 access to results and reports once they become available through their ANFP Member record.

CDM, CFPPs will earn one (1) complimentary general continuing education (CE) hour for completing the survey between March 1 - April 30, 2026. (Must have a 70%+ completion rate to qualify.) Once results and reports are available, participants will enjoy 24/7 access through their ANFP Member record.

Benchmarking Program
open for individuals to complete the survey.

Deadline to Earn
one free GEN continuing education (CE) hour.

Date in Which the
free GEN CE will be automatically imported into your ANFP record.

Deadline to Complete
the benchmarking program survey.

Topics covered in the benchmarking program include facility demographics, personnel information, key financial statistics, foodservice operations, nutrition information, business operations, and sanitation and safety practices. While the topics remain consistent, ANFP conducts benchmarking surveys each year so that trends and changes over time can be reported in subsequent years.

Participating in the ANFP Benchmarking Program allows you to better understand what makes your facility successful, leading directly to an action plan, improving productivity, and gaining strategic advantage.
