

CHAPTERS & VOLUNTEERING

Join us! Chapter volunteers receive the most from their ANFP membership. They are immediately connected with motivated chapter leaders and other volunteers across the country who want to make a difference and help promote the CDM, CFPP credential.

ANFP is unique in that chapter dues are included in the annual national fee. Chapters then receive a rebate based on membership count and other standard requirements, instead of members having to pay two sets of dues each year. To get involved, visit www.ANFPonline.org/Chapters, or contact your local chapter.

WHAT IS A CHAPTER?

State chapters are a vital component of ANFP, offering members local benefits including educational programs, networking opportunities, and connections to professional and personal growth.

Almost every state has an active ANFP chapter that has IRS nonprofit status. Some chapters decide to divide their state into smaller areas called districts. All chapters and districts are volunteer-driven with boards of directors and committees.

WHY SHOULD I VOLUNTEER WITH MY STATE CHAPTER?

Volunteering is a great way to expand your professional network and enhance your leadership skills! ANFP thrives because of the efforts of its volunteers. The association grows in credibility and reputation as a result of volunteer input, and each volunteer gains experience and leadership as a result of participation in ANFP activities.

WHAT VOLUNTEER POSITIONS ARE AVAILABLE?

You can write an article for the newsletter, help at the chapter meeting registration table, or secure a speaker for the educational meeting. There are also opportunities such as holding a position on the chapter board or a committee. Ask your local chapter how you can help!

Whatever your interests and strengths are, there is a volunteer position for you. The chapter board of directors sets goals for the chapter and carries out activities to complete those goals.

HOW MUCH TIME DOES VOLUNTEERING TAKE?

Volunteering time commitments vary with your chapter or district. Helping set up at a meeting will take less time than serving as a board or committee member. ANFP appreciates all contributions! Contact your local chapter for specific roles and opportunities.
