

Professional Practice Standards serve as the basis for quality dietetic practice for dietary managers. They serve as a guide for self-evaluation to determine the education and skills needed to advance an individual's level of practice.

CDM,CFPP CERTIFICATION RENEWAL IS DUE

It is time to renew your certification, To maintain your Certified Dietary Manager, Certified Food Protection Professional (CDM, CFPP) credential, you must earn 45 continuing education (CE) hours every three years. Nine of these CE hours must be in sanitation and safety and beginning June 1, 2019, one must pertain to professional ethics.

Your way

In time of challenge, change and crisis we must call on our **WHY**

Remember **WHY** you are doing what you do.

Find the **DEEPER MEANING** to your life, your work and your relationships.

Your **WHY** is the **FUEL** that will keep your Engine of life running even when you run out of steam.

What is Your WHY?

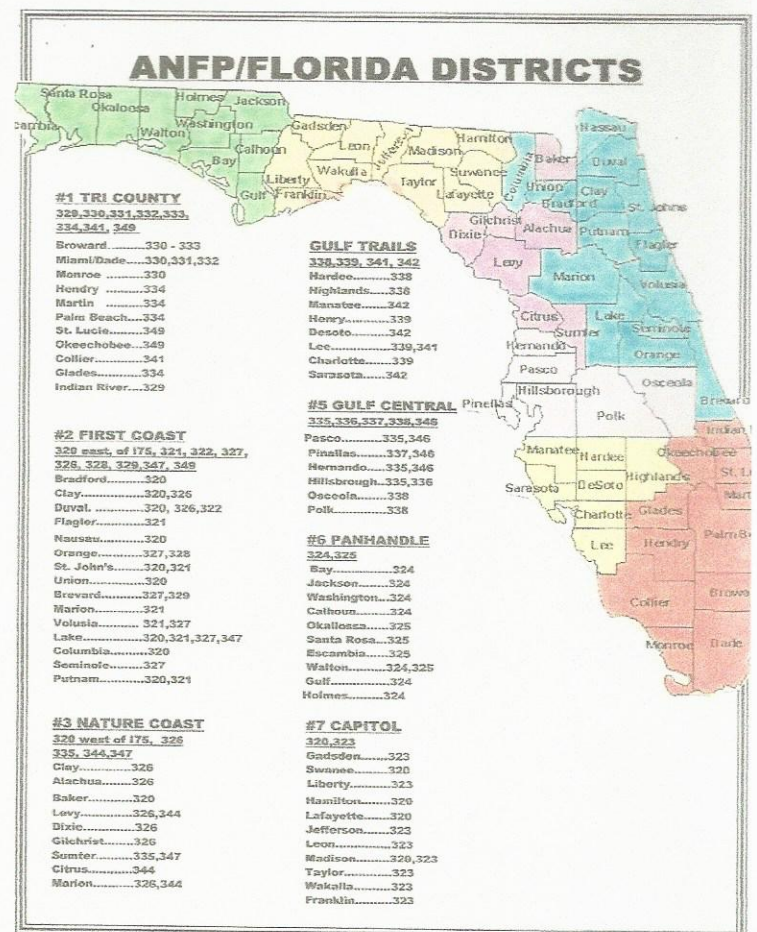

Who are you doing it for ?

What drives you ?

What motives and inspires you ?
