

GA-ANFP Fall Newsletter

Week of
October 18, 2021

- Hello Georgia ANFP Members, I hope All is well with you and your families. We had a great Fall Meeting in Macon. There were 50 members in attendance. We had 9 vendors, on deck for the meeting. We lost 5 vendors due to COVID. Overall, the members were pleased to have received 15.50 credit hours, time to network at our meet and greet and a large venue to spread out in. Our President-Elect Felix Jones is preparing for our Spring meeting!
- If you have suggestions for the meeting and or speakers, please let him know. It takes months to put a meeting together. The more resources available to the Chapter the stronger the Chapter becomes and yes, the small stuff does matter. We are also preparing to offer a discount on the ServSafe Managers Course and exam. For the first three months in 2022. Grace Consulting will provide testing in Atlanta Georgia. A separate email will give more details on how to register.
