Fall greetings to Georgia-ANFP members,

We hope this message finds you well. The Fall Meeting in Augusta was held successfully. Appreciation is extended to Lavone Cook and staff for their support. The meeting included presentations on topics such as workplace violence, fire safety, and health inspection preparation.

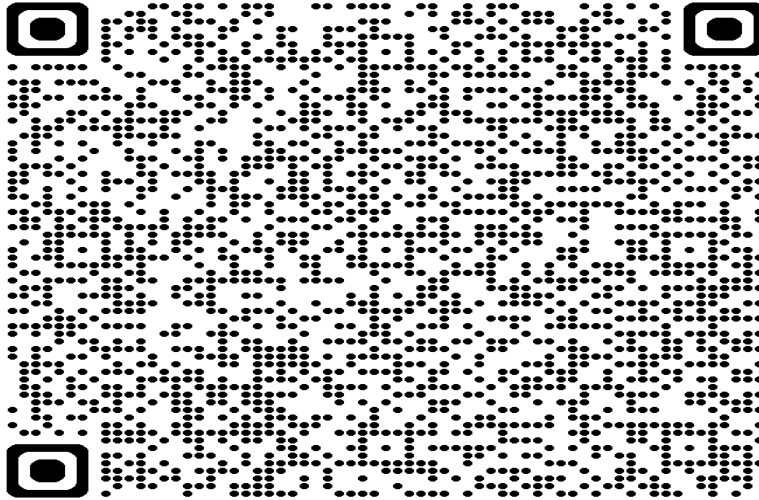

Attendees participated in a tour of Augusta Medical Center, led by Director of Foodservice, Lavone Cook, offering insights into the operations of its various departments. Additionally, some board and chapter members visited Ronald McDonald House, where they learned about the organization and its services for children and families. Donations of snacks, paper goods and toiletries from Georgia-ANFP were given to assist both staff and families staying during treatment periods.

Preparations are underway for the 60th anniversary meeting planned for 2026. Following the September business meeting, the board has been evaluating affordable venue options.

Those who know vendors or speakers interested in participating are encouraged to have them email georgiaanfp@gmail.com with their contact information.

Happy Thanksgiving

"Thanksgiving" by Ralph Waldo Emerson

Give thanks for each new morning with its light,
For rest and shelter of the night.
For health and food,
For love and friends,
For everything their goodness sends.
