Association of Nutrition & Foodservice Professionals Fall Newsletter October 2022

October 24, 2022

Georgia-ANFP, had their Fall Meeting at Marsh Edge in St. Simon's, Georgia. We would like to give David Wieliczki a big shout out for supporting us. The facility went above and beyond to accommodate. The residents were welcoming and interested in our profession. We had about seventy members register for this event sixty+ showed up!! In addition, we had three members from Florida and one member that flew down from New York to attend.

The speakers were great and eager to spare their expertise with us. Sanitation was the most requested topic, and the speakers delivered.

The food show was impressive, we had about ten vendors on deck. The setting was beautiful, each vendor shared their products and was excited to be part of the show. We are hoping to bring them back next year.

At the close of the meeting Georgia-ANFP, shared updates with the members., including a free Tri State meeting with FLA-ANFP and ALA-ANFP. The purpose of the meeting was to assist FLA-ANFP. The Chapter had not had a State live or virtual meeting in over two years. The meeting was worth nine credit hours and took place October 13th-14th, 2022. Teresa Faison our current President-Elect proposed that the Chapter participate in a cookie drive serving the Airmen in Warner Robbins that would not be going home for the holidays, the Chapter agreed to participate and asked questions about the cookie drive and how to support it. (Please see flyer attached for more details).

Georgia-ANFP is working to bring you another great meeting Spring 2023. We are looking at venues in Warner Robbins, Augusta, Macon, and Atlanta. Possible meeting dates April 12th-14th.
