

Good evening, Georgia -ANFP Members

As we close out 2021. We are still in the middle of a pandemic. Working in healthcare has not been easy. We are losing employees at an alarming rate. We are constantly being challenged and asked To do more with less, but there is always a bright side to everything. In 2021 Georgia-ANFP had two Meetings one virtual and one live. The turn out for the virtual meeting was great. The live meeting could Have been better, but due to COVID we had a light turn out, around 50 members. Overall, the members who wanted and needed CEU's got them, we did very well at ACE we won a number of awards and was mentioned in the running for the Diamond award, I would like to call those wins and our bright side. We continue to remain financially sound; our current balance is 9500.00, we took a hit from the Fall Meeting. We lost 5 vendors, and 2 speakers at the last minute causing us to use more funds than we Would have liked, lesson learned. Sometimes dreams can become too big to manage. We are preparing For a new group of leaders soon. If you are interested in running for a position, please let us know. We currently have about 6 members interested in board and committee positions. We will highlight Them next month. Members will get a chance to view their Bio's and learn more about the candidates. In the meantime, we want to thank everyone for their continued support of Georgia-ANFP. We are Looking forward to serving our members in 2022.

Regina St.Clair

Georgia-ANFP

President
