2021 Legacy Award Congratulations to Janice Hemel, CDM, CFPP!

Janice Hemel, CDM, CFPP is a 29-year member of ANFP. She began serving with the organization in 1998, and since then has held various positions at the district, chapter, and national levels, eventually serving as Chair in 2016. Janice has been a strong representative for ANFP in other ways over the years, including advocating for the credential at the state level. She demonstrates unwavering leadership and knowledge in any role she takes on.

Janice has been employed at Lane County Hospital in Dighton, KS for the entirety of her 32-year career. She is active in her church and community. Janice has been married to her husband for 21 years and has two grown children and one grandson. She is now retired.

President

Jennifer Harris, CDM, CFPP jenniferfaye1983@hotmail.com

Currently I am working on learning all the president duties and I am so excited for this whole experience. Also, I am wanting to reach out to each member and encourage each of you to serve on the committee. Ask any of us about information. We are happy to help! I hope everyone is doing well and I look forward to seeing you at our next meeting in the Fall...

President Elect

Donna Bateman, CDM, CFPP

Paula is stepping down as President Elect due to family matters. I have decided to accept the position of President Elect with great honor. Recently, I have a new job with the Oskaloosa School district, which works best for me since it is closer to home.

Past President

Matthew Schlager, CDM, CFPP sgtschlagel@hotmail.com

Iwould also like to update you all on my situation. I have accepted a full-time position as the Mass Feeding Director for Eight Days of Hope based in Tupelo Mississippi. I will officially begin in January and will be in Mississippi full time by then. My wife will move down after the school year. I plan to fulfill my duties as past president before joining the Mississippi chapter. I will have a lot of travel and work to do before January so any and all help available to get our fall meeting planned will be very much appreciated.

Cindy Cothorn, CDM, CFPP clcothorn@yahoo.com

There are a lot of exciting things happening over the next few months and I'm looking forward to them. *First, we will be having our booth at the KHCA annual convention and trade show on Sept. 29, 2022.* We will set up on the 28th then enjoy some networking opportunities. I'm looking forward to our Fall workshop in October and hope to see each of you there. I'm so glad we are able to meet again. *We will be having our 50/50 drawing for PAC fundraiser.*

I'm educating myself on a program ANFP has called "Brand Ambassador". I will have more on this later. I reached out to Nationals for updates and have received the following information:

- Currently they are working with schools to encourage them to offer more dietary manager and culinary classes. These have fallen off since covid. Barbara Thomsen, teamed with a few others, are doing an online CDM class. She is sending me information on this and I will have it available if anyone knows someone who is interested.
- FDA is coming out with a new Food code by years end.
- ANFP is working with FDA on a new initiative called, "Farm to Fork". They are helping with the sanitation aspects.
- CMS latest update gives food service managers with two years experience until Oct. 2023 to obtain their certification.

As of March we have a new Scope of Practice, so be sure to check this out. I will try to bring some of them with me to the fall workshop.

Since National has done a policy about holding board meetings with zoom or other internet applications instead of all live board meetings, I felt it was best to do one for our state. The Board has approved the change. A copy will be on page 9 of the newsletter.

Communications

Leonard Turpen, CDM, CFPP foodpaws@gmail.com

I hope that everyone is receiving the newsletter, *If not* - please make sure to update your email on your ANFP profile page. If you have left your previous employment please change it to your newest email address. Updating your profile and information helps us keep you informed for future information from Kansas ANFP. Otherwise it bounces back to us and we can not contact you. I have decided to accept a position on the ANFP Chapter Data & Insights Task Force and will keep you informed on what we will accomplish.

Unfortunately I will not be able to attend this fall workshop because I am having my second knee replacement on October 12, 2022. Jennifer has agreed to step in and gather information and pictures for me. I hope everyone has a great time and learns a lot from this workshop! If there is anything you can contribute for the next newsletter please send it to my email. Thank you!!

If anyone has suggestions for our gifts/raffles for the 60th anniversary please let me know.

Hospitality

Debra Gohl, CDM, CFPP

A great meeting was held in Hays Kansas at the Ellis County Fairgrounds, on Wednesday May 11 thru Friday May 13, 2022. It was amazing to be able to get together in person for the first time since COVID started in spring 2020. A ServSafe class was held on Wed. afternoon and many took advantage of it.

Our keynote speaker was Dustin Gaylon, Kansas born and bred motivational speaker, and he did an awesome job of keeping everyone inspired. His topics were Bring Your Best and Embracing Difficult Topics.

All of the speakers did a great job and I am always impressed with the talent and knowledge they bring to the table.

After such a long break from meetings, it was great to have new members attending. Joining us was seven first timers, and a member from Missouri. Each of them received their sunflower, notepads, pen, and a cell phone holder. Our Fall State Meeting will be held on October 12 thru Oct 14 2022, at the Saline County Fairgrounds in Salina Kansas. *And I can't wait to see you all again!*

Since May I have mailed 132 "Birthday" cards, and one "Thinking of You" card. I have had two cards returned.

Please be sure to let me know if you know someone needing a card. Just send it to my email above. Please be sure to put "Card Request" in the subject line as I get a lot of junk mail. Thank you!

Thank you to all vendors for your support!

We appreciate all your help with budgeting and searching for the right products to keep our facilities running smooth, especially during the pandemic crisis. Thank a vendor today!

For your information - by Leonard Turpen, CDM, CFPP

This is new to me -

Surprise! Make sure to check the expiration dates on your test strips! You can receive a tag for not having them updated in your facility.

One surveyor let me know they have just started checking them this year. We recieved a tag for this - not aware in all the years of my surveys, but it makes perfect sense. Just be aware of certain surveyors checking and tagging you on this. This goes for all test strips, not just the one pictured. Happy Survey!!

SUBJECT: MEETINGS - DATE ISSUED: June 13, 1985 REVISED - AUGUST 12, 2022

This state's Board of Directors shall meet no less than four times annually; two of these meetings to be held at the time of State Membership meetings.

There shall be two business meetings of members annually at the time of the state's yearly meetings *except under the circumstances of natural disaster, acts of war or terrorism, or any health or other emergency declared by a federal or state agency by which in-person meetings would be contraindicated. Other than the in-person meetings, meetings of the Board of Directors, or committees, may take place telephonically, electronically or through the Internet where it is possible for all participants to hear one another.*

In order to gain recognition to speak at a Kansas Association of Nutrition & Foodservice Professionals business meeting a member shall, from the floor, raise their hand to be recognized by the State President who is the chair of the meeting. Having been recognized by the chair the member will be allowed to speak or ask questions of the Kansas ANFP Board of Directors.

- The fall state membership meeting shall be held before Oct. 31st, but no less than 30 days after the close of the national annual meeting.
- The state fall workshop will be held in October of each year.
- The spring state membership meeting shall be held no less than 30 days prior to national annual meeting.
- The state President is responsible for notifying the state Board of Directors of meetings no less than 10 days of said meeting.
- Notice of Board of Directors meetings shall be in the form of an agenda for meetings provided by the state President.
- The membership shall be notified of membership meetings through the state newsletters no less than 30 days prior to the state meeting. This notice shall contain time, place, fees and other pertinent information as decided on by the State Board of Directors.

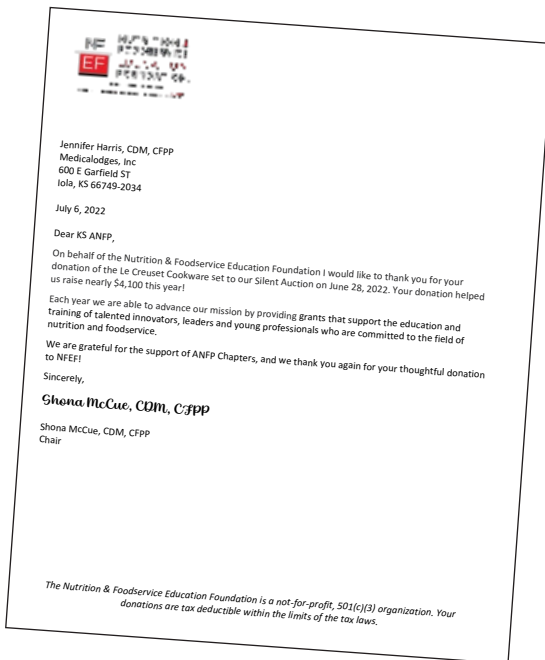

Dear KS ANFP,

On behalf of the Nutrition & Foodservice Education Foundation I would like to thank you for your donation of the Le Creuset Cookware set to our Silent Auction on June 28, 2022. Your donation helped us raise nearly \$4,100 this year!

Each year we are able to advance our mission by providing grants that support the education and training of talented innovators, leaders and young professionals who are committed to the field of nutrition and foodservice.

We are grateful for the support of ANFP Chapters, and we thank you again for your thoughtful donation to NFEF!

Sincerely,
Shona McCue, CDM, CFPP
Chair

ACE In Scottsdale, AZ 2022

Donna Bateman

I attended ACE in Scottsdale AZ this summer and it was a fantastic experience. We learned a lot about different subjects in our nutritional and clinical topics. There will be changes about Certification coming soon. I took the allergy class and it was interesting. The session on IDDSI was very informative and Cleaning Closet was great also. They talked about the SDS sheets and the importance of them. It was overall a great experience.

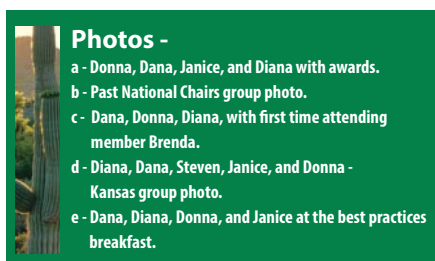

Dana Tinkler

Thanks to the Kansas ANFP chapter and board, I had the opportunity to attend the annual ANFP-ACE conference in Scottsdale, Arizona. We heard from Adam White, keynote speaker, on the power of Resiliency. There were meetings where discussions were held on member's issues in their workplaces and solutions were brought up by fellow members. IDDSI was also discussed and allergy awareness, and diabetes nutrition. CBDM board members discussed Scope of Practice. Workplace violence was discussed and different ways to address it. We had a meeting on defining your personal brand, what are your strengths and skills and how you use them. There were several vendors at the Expo with different items to try out. It was a great opportunity to network with members from across the states!

Janice Hemel

All those attending from Kansas were Donna Bateman, Steven Achord, Brenda energetic, Diana Riner, Dana Tinkler and Janice Hemel. We attended the Volunteer Luncheon where we were presented our awards. We received the Membership Award, Communications Award, Government Affairs Award and the Silver Award and Diamond Award Nominee. All the sessions were great but a couple were outstanding. Our Keynote Speaker was over the top, He was Adam White. He kept us on our toes, awake and involved! I could have listened to him all day. Then Chef Robert McKeon was so energetic! He is also a CDM that is very involved in his state. He was a fun guy to be around outside of the sessions he presented as well.

Ken Hanson and Cindy Zemko presented some changes coming in the CEU's. We will be looking at levels of knowledge so all attending the meetings can gain new knowledge. Ken has been asked to speak in the spring if they have this all ready to start. It sounds hard but is really not complicated. We did not get out much from the resort...why should we?? We had several food choices, musical entertainment and gambling!! We had a star gazer night that was awesome. They had a HUGE telescope set up for us to look through and the person in charge was so knowledgeable about the stars. He would point out stars, etc as they came out. Very wonderful experience. If you ever get the chance to go to ACE, DO IT!! Fun,
