Season's Greetings from your Kansas ANFP!

Let's reflect over of this year's news:

In Spring - Janice Hemel met with Rep. Jerry Moran and talked about "Food First" in Dighton KS. Since then Rep. Marshall has joined forces with our own Congresswoman Lynn Jenkins, Rep. Jim McGovern from Massachusetts and Rep. Chellie Pingree from Maine. They have formed a small bi-partisan working group focused on nutrition to improve the nation's health. The "Food is Medicine Working Group" which is part of the House Hunger Caucus.

In Summer - Kansas/ANFP won for the 54th time the Platinum Award along with the Membership, Communications, and State Spokesperson awards. We were "runner up" to five other states, for the Diamond Award. Nationals was in Orlando, FL this year and it was an event to remember. We learned a lot and had a great time, go Kansas.

In Fall - We celebrated our 55th Anniversary in Hays, Kansas. John Fitzhum and his event committee made this event a great success. Thanks for all you do in Kansas ANFP and the great celebration West District provided!

In the last 55 years we are one of the main parts of the long-term care, hospitals, schools, and other intuitions providing nutrition to others. Everyday, we are a part of the learning and the teaching experience. It's our goal to make a difference in people's lives with nutrition and sanitation practices. Let's continue to strive towards a bright future for Kansas ANFP.

Remember Kansas ROCKS!

Huge thank you to Leonard for helping get volunteers to run for the office of Secretary and President – elect. Huge thank you to Leonard and those who agreed to serve.

I encourage members to plan to attend the ACE and requested that members submit "I will serve" forms because their help is needed.

Merry Christmas and Happy Holidays to everyone! I pray that you will find peace and good health in the New Year. Thank you to all who attended our Fall Workshop in Hays and a great big THANKS to John Fitzhum for hosting and putting together a great lineup of speakers and events. I especially want to thank all those who participated in the cans for Kansas Honor Flight fundraiser. We have a check for \$755 to present to KHF which will provide the opportunity for a veteran to travel to Washington DC to visit their war memorial. We look forward to seeing many more attend the Spring Workshop in Lawrence. For any who are interested Central District's spring workshop will be in Abilene on Friday, March 15th. We will be having Serve Safe Manager training that's worth 6 Sanitation CEU's. Until then may God Bless You ALL for dedicating your life and profession helping to feed and care for others.

Hospitality

Suanne Hoffman, CDM, CFPP

Hello everyone! On, April 18, 19 and 20, 2018 we went to Mulvane, Kansas for an incredible ANFP meeting. Such a blessing: with a great donation to the Kansas Honor Flight and their wonderful volunteers. I gave out 2 sunflowers to Mr. and Mrs. Larry Ruse.

We had 6 first timers and 7 students. We gave each sunflowers, note pads with pens and sticky notes. 2 pre-professionals received their credentials for ANFP and we also recieved aprons. We gave a sunflower to a 5-year person.

Drawings for the old timer were Paula Bradley and first timer Mary DeVries. The speakers were marvelous. Anyone want to become an auctioneer? The food was great!! We have a wonderful person who will help me be the next hospitality person. Her name is Deb Gohl from St. Francis, Kansas. I am very excited to train this special woman.

Past President

Paula Bradley, CDM, CFPP

I have put together the Years of Service for 2017. I am proud to congratulate the 82 members receiving the award this year. I noted that the years of service awards that have not been presented will be kept with sales. I encourage members who have earned their years of service awards to display them and be proud of their accomplishments.

Sales

Paula Bradley, CDM, CFPP paulaspoppersdma@yahoo.com

Diana Riner, CDM, CFPP driner@comanchech.com

There are several new items including: 55th Anniversary cups, Cell phone stands, Ink pens, Piggy banks, special items for the 55th (bags, lapel pins, calculators) two different sweatshirts (one embroidered and one with screen printing) and samples of several other items.

Our members will soon be able to order their own items from the Tee's and Tops of Meade, KS. She is putting together an ANFP website that is just for us. We will have several different choices of things to purchase. This way we do not have to buy and get stuck with excess that don't sell.

Paula looked at several different vendors and sites to find the best deal without getting bulk orders. They now have 13 embroidered cost us \$32 sell for \$40. 24 Screen printed cost us \$14.68 sell for \$20 plus \$2 more for larger sizes can be taken for the spring meeting. Aprons cost \$10 and will be given to new members. Paula also has a sample duffle bag for 18.99 to sell for \$25. The items were purchased from a mother of 6 from Mead, KS; she is also working on a website for members to purchase Kansas ANFP items; proceeds would be sent to our chapter. Paula is also working on getting samples of other items. 150 Piggy banks were purchased as a give-away for \$2.57 "Kansas Members saving for..." They will sell for \$3. Purchase 50 silicone phone stands for \$2.47 to sell for \$5.00. Purchased 150 calculators for 10.99 each to give away will sell for \$15 after the giveaway. Will also give away 55th anniversary mugs purchased at the last meeting. 55th anniversary shirts will be sold for \$10. Dianna said buy, buy, buy; she will be moving in with her mother but will not be able to store the items in the future. Paula does not want to have an excess of items.

Historians

Mandy Craig, CDM, CFPP

Becky Robinson, CDM, CFPP

Becky put together a slide show for the 55th anniversary meeting; she also brought some historical meeting items. Becky may need to leave the Kansas Chapter because she is leaving food service as her husband has cancer and must go to several doctor's office visits.

Due to Hello everyone! I hope everyone is enjoying this gorgeous fall weather we are having. Although we could all do with a bit less rain I am enjoying the cooler temperatures. Recently we had another successful booth at the KHCA annual convention. Thank you to Debra Lowry, Steven McCoy and Trisha Hadley for manning the booth. And thank you Debra for signing us up for next year.

I sent the following message via face book which was read to the members. "I miss all my KS ANFP peeps. Missing the fall workshop; celebrating 55 years. Hello everyone. Love you all!"

It was reported that I had a small tumor behind my eye which requires an operation to be removed; prayers are requested. My husband is also having health issues which required me to leave my job for 7-8 weeks.

NOTED: Since writing this report – Cindy's operation was a success and she has regained her vision and on the road to full recovery.
