Season's Greetings from your Kansas ANFP!

It is time to reflect on 2019

We started with learning what to do when you "Start Your Day Sharp and End Dull", with Walt Stasinski He also taught us the "Power of Fun at Work!"

- We learned more about being ready for Quapi 2 that rolled out this year.
- This was year the addition of the "Professional Ethics",
- We congratulated Toni Pomimier as CDM of the year!
- Your officers went to St. Louis, Mo. for the 2019 ACE conference. We were one of the finalists for the Diamond Award. We received the Platinum, our 54th time out of 55. We also received the Membership, State Spokesperson, and Communication awards.
- We worked, to get the word out on #CDMsMatter for changes proposed to long-term care, and they heard us.
- In the Fall Devin Henderson, taught us to Crack or Crack up! And Where do we go from here.

At the Fall workshop we also celebrated two retirements the first to be Cindy Luxem, President of Kansas Healthcare Association, and a longtime advocate for Healthcare. She let us know we will hear from her again. Also our one and only Suanne Hoffmann member and our Hospitality Chair has retired and we will miss her so much.

Happy Holidays everyone! -

Past president, Co-Communications and Newsletter editor - Leonard Turpen CDM, CFPP

We want to thank everyone that volunteered this year and remember to thank all of the vendors that have supported us in the past, present and future.

Hospitality

Suanne Hoffman, CDM, CFPP

Isn't great to keep fun in work? We handed out 4 sunflowers to speakers and guests. I was so pleased as your next Hospitality person (Deb Gohl) was presented and she helped me get everything going. What a Blessing! (Deb could not attend due to work) Drawings for the old timer was Renita Mesa and the new timer was Michael Leach. The next meeting registration will be free in Las Vegas. What a great reward for attending.

We had 4 students, 6 first timers and 2 retired. Andrea Daniels, Michael Leach and Joseph Shell received their CDM credentials; they received aprons. We are so proud of these people. All of the people received sunflowers, pads, pens and cell phone holders.

Suanne stated that his been wonderful to serve however she was planning on this being her last meeting however she is planning on being at the meeting in Dodge City so that Deb gets started the right way. Janice presented Suanne with a basket of cards from the members which was followed by a standing ovation from the members.

Past President

Sales

Paula Bradley, CDM, CFPP paulaspoppersdma@yahoo.com

Diana Riner, CDM, CFPP driner@comanchech.com

Sales today are low (\$378 vs. over \$1,000 in the past) please plan to buy. We need to charge sales tax due to new processes from ANFP and are working on getting all the information complete so that we have a tax ID and are in compliance. Nationals has offered to make our product so members can buy from ANFP however their prices are often higher and we want members to be able to afford merchandise.

Please note on evaluations what merchandise you would like to purchase. Paula and Diana will have some sample shirts on if members are interested. We are still looking for a vendor who is reasonable to make shirts if anyone knows.

Paula Bradley went to a tax person and ask for assistance to make sure we are filling out the correct form, which requires several signatures. I was thinking since we need to get this done, and everyone but Janice lives mega miles away, that I put me down as the main person responsible along with Diana and Janice on the form. I will be the one making sure the form gets turned in but I feel the chair and probably the treasure should also be listed. I will bring another copy in the spring when officers change to up date.

Historians

Mandy Craig, CDM, CFPP

Becky Robinson, CDM,CFPP

Becky is taking pictures for a future slide show. They are showing a slide show today. Mandy requested contact information and pictures from individual chapters. Donna requested that the chapter presidents get that information to her and Mandy. Becky states that she has been told that 2 people have brought historical information. They are still looking for more.

Mandy will be showing a slideshow of past Presidents pictures. Becky Has all of 2018 and Spring of 2019 on thumb drives. Becky has another smaller thumb drive of extra pictures. Becky stated that Mandy has also put a book together of older stuff for members to look through. Donna stated that she had pictures from East district to add. Suanne stated that she had a book from a former president to add to the collection.

Parliamentarian

Janice Hemel, CDM, CFPP

At the state workshop board members met and went through all the policies and procedures. I am now working on all the corrections for the boards approval. Remember changes in our policies and procedures can be done by board vote only. By law changes take the membership vote to be approved.

clcothern@yahoo.com.

State Spokesperson

Cindy Cothorn, CDM, CFPP clcothern@yahoo.com

I received the correct information on the State Authorization bill that would help to promote the CDM certification in the state. **Scott Smathers** from the state workforce development is the point of contact for the state to get more funding for education. The ANFP PAC has more than 8 thousand dollars to help with getting the proposal passed. Debra Lowry and Jennifer Turner both helped with the booth at the Kansas Healthcare Convention. We were all kept very busy. I'm not sure how many people visited the booth but there were times all three of us were visiting with different people and had others waiting.

We gave out all of our materials. We had two people request we send notice of job openings to our members. These were forwarded to Leonard and Matthew. We received a job opening notice a few weeks ago and were requested to send that one out again. We had a gentleman Josh Hill from SGC visited our booth both before and after attendees came through. He was very interested in assisting Kansas ANFP. He states their company was active in the Missouri chapter and is anxious to be active in Kansas. They would like to make donations to our meetings, possibly have a booth at our workshops, and or helping with speakers.

Possibly the most exciting part of the day was visiting with administrators and CEOs about our workshop next month. Thankfully Jennifer and Debra are tech savvy and forwarded the meeting brochure to at least 30 people. It's good to be back at work supporting ANFP. *Donna passed on additional thanks to Debra and Jennifer along with Cindy for all the work that they had done.*

Message from Scott Smathers:

Great to hear from you and sorry it's taken so long to respond! We've been working on how to take advantage of the Strengthening Career and Technical Education for the 21st Century Act (the "Perkins Act" reauthorization bill) signed by the President in 2018. It allocates funds to the states for career and technical education (CTE) programs at community colleges, etc., and if the Kansas ANFP Chapter is interested in finding out more about using this as a platform for the CDM credential, you can find your Kansas State CTE Director at www.careertech.org. A link to State CTE Directors is under the "Who Are We?" tab and for Kansas that would be: Kansas

Communications

Leonard Turpen, CDM, CFPP

Mathew Schlagel, CDM, CFPP

Leonard: Volunteers wanted to help with Communications, Newsletter, Facebook, Webpage and E-mails, The next Newsletter will be out February 20, 2020

Mathew: I currently use my work email which only allows 100 per hour so it takes a full day to send out to all members. I have begun working on a new email service called "mail chimp" which is free that will allow us have up to 2,000 contacts and bulk email. I will be working on setting up a "Kansas ANFP" email and a "mail chimp" account. Please ensure that your email is current with ANFP and be on the look out for information to come from "Kansas ANFP".

board members

Janice Hemel, CDM, CFPP

Janice noted that the board had gone through all of the policies prior to the board meeting for 2-3 hours. Janice is in the process of updating policies and procedures; she will bring changes to the membership. P&P are available on the Kansas ANFP website for members to access. Two new policies are in the works one is Sales Tax policy which is needed so that ID number is available. The second policy is the Vendor show policy so that a list of contacts and information is all in one policy. Janice stated that this is the first vendor show which.

Food Show Chair

Paula Bradley, CDM, CFPP

We had 16 vendors participating in this food show. They expressed great interest in participating. There is a big show in KC the same week. Debbie is to check to see if this event is always this week each year. I started contacting vendors in May, again July, August and again in September. Several never responded back. I had two get back to me in September that wanted to participate.

Possible changes in food show: Paula stated that they had about 19 saying that they would be here however many were busy. Paula asked that members pass on vendor information to her so that we have the correct contact person. Paula has learned that she may need to go through several contacts from a happens????

Paula stated that most vendors had an interest in participating however they already had commitments for this year. Paula stated that having the right point of contact makes a huge difference. Paula stated that there are vendors who change positions so she is working on keeping an up to date contact list along with the vendors knowing who will be sending them requests to participate in our vendor shows.
