CONGRATULATIONS Members and Friends,

Our Maryland, Delaware, DC, Chapter of ANFP celebrated a milestone Anniversary at our October Ocean City WORKSHOP. **50 YEARS.** Special Thanks to

Omar presented the Board and all past Presidents that attended with a plaque celebrating the founding of the Maryland Chapter in 1969. He then lead everyone at the Workshop in a Toast. The engraved Champagne Flutes were given to all attending. We then enjoyed a decorated cake and ice cream for our afternoon break. Thank you to Bonna Brown CDM, CFPP, and Debi Canfield CDM, CFPP for having the flutes engraved and providing the decorations for the occasion.

The 24th Annual WORKSHOP BY THE SEA was a great success. We had over 70 registered members and guests, an EXPO with 18 tables of vendors exhibiting, our famous fundraising auction raised over \$1800 dollars, 12 speakers providing 14 CEU;s of a variety of interesting and informative topics, a well attended networking dinner at Phillips, and a chance to try ones's luck at the Casino. Through our service projects we were able to fill and provide funding to send dozens of shoe boxes full of goods to Children throughout the world with our donations to Samaritan's Purse and to provide toiletries and warm winter ware in gift packs for a local homeless population.

Thanks to (and forgive me if I omitted someone) Robert McKeon, president elect, for organizing the Vendor show, and helping the speakers with their AV. needs Bonna Brown, Treasurer, for handling all the monetary transactions from registration desk to clerk at Auction, organizing the Samaritan Purse project, to Debi Canfield, Secretary, for working registration desk and printing certificates and programs, to Wayne Kuhn immediate past President, our auctioneer extraordinaire, to Bonnie Hollingsworth, Program Committee, for handling all pre registration, providing event tickets, name badges, Bingo cards, and maintaining all registration lists, to Kyrese Johnson, Newsletter Editor, for maintaining e-mail lists, sending out notices, and photographing records of the meeting, to Dawn Chisolm, Hospitality, and Joanne Wagoner, Website Editor for registering Vendors, and recording all auction, door prize, and service project donations, to Patrick Dillinger, Membership, John Dankulich, Ways & Means, and Mary Ellen O'Connor, past President for selling Raffle Tickets, passing handouts, and assisting with set up and tear down, and to all officers and Committee Chairs for introducing Speakers and pitching in wherever needed to provide a quality Workshop.

Did you know that the ANFP has a PAC?

Wayne discusses
the ANFP PAC

In January 2008, the DMA Board of Directors voted to create the new DMA Political Action Committee (DMA PAC) as part of the Association's efforts to increase its legislative advocacy efforts and presence in Washington, D.C. Now called ANFP PAC, it is a member-sponsored political action fund which supports Federal candidates who care about the ANFP mission and the work that ANFP members do. ANFP PAC is the tool by which our Association builds its strength in Washington and by which ANFP will continue to expand its visibility among elected officials.

Since Members of Congress and candidates for Congress are prohibited by Federal law from accepting contributions directly from corporate trade associations like ANFP, there is no way for ANFP as an association to directly support those Members of Congress who take legislative positions favorable to ANFP and its members. This includes legislative efforts to secure Federal recognition of the Certified Dietary Manager credential. What ANFP itself cannot do with respect to political contributions, ANFP PAC can, and that is why ANFP PAC is a critically-important resource that our Association can use to support the election of representatives who support our efforts and share our philosophy and our attitudes about government.

The main purposes of the ANFP PAC are to:

Aggregate and pool the support and resources of the members of ANFP for the collective good of the Association, and to enable the membership to have one strong political voice on issues of importance;

Provide a means by which all members of the Association can participate in some way to help with the political efforts of the Association;

Support and help elect candidates who understand and share our concerns, visions and philosophy;

Act as a rallying point for ANFP members to become engaged in the political process at all levels from making a contribution to meeting with elected officials;

Provide an important strategic tool for ANFP to make itself heard and understood on Capitol Hill – it is not a magic answer which will guarantee results, but it is an incredibly important vehicle to aid in the accomplishment of positive results; and,

Give ANFP more visibility in Washington and allow it to be more competitive among other associations which often may have conflicting goals.
