MN at ACE

Several Minnesota ANFP members were able to travel to New Orleans for ANFP's Annual Conference & Expo (ACE)! Minnesota proudly took home awards in communications, government affairs, membership and was a finalist for the Diamond Award. ACE is a rewarding conference which allows networking with CDM's from around the country.

Paige Kort

Education- Jeff Wuollet

Membership- Kathryn Hagen

Strategic Plan-
Allison Josephson/
Marjorie Smith

Vendor- Bea Peterson

Workforce Development-
Dorothy Rademacher

HONORING A MINNESOTA LEGACY

An industry titan, a mentor, leader, inspiration, cheerleader and friend. These are just a few of the adjectives used to describe the 2023 ANFP Legacy Award Recipient- Colleen Zenk. Colleen has been instrumental to the success of ANFP at a state and national level. Colleen has served ANFP on the state level, and as the National Chair of the organization. Colleen is known not only in Minnesota for her professionalism and knowledge of food safety but across the country. A very fitting award after years of selfless service to others. Minnesota is proud and grateful to you!

CDM CFPP New Continuing Competencies Requirements

Moving from a Continuing Education model for recertification to a Continuing Competence model is intended to not only increase awareness but encourage credential holders to examine their own individual needs and plan/select their continuing education activities to meet those needs. This is the primary goal. Continuing competence embraces demonstrating specific levels of knowledge, skills or abilities not only at the time you become certified, but as you progress throughout your career, and encompasses your changing needs. Continuing to be competent within the industry and your job means you deliver best practice results and have greater credibility with employers, surveyors and colleagues. A continuing competence model is a best-practice method of recertification, especially in the healthcare arena, and demonstrates currency in your field.

When does this impact me?

The Continuing Competence Initiative formally begins on June 1, 2023. Participation in the initiative has a rolling start date, to coordinate with your recertification cycle:

Three-Year Recertification Cycle	Start Date
June 1, 2023 - May 31, 2026	June 1, 2023
June 1, 2024 - May 31, 2027	June 1, 2024
June 1, 2025 - May 31, 2028	June 1, 2025

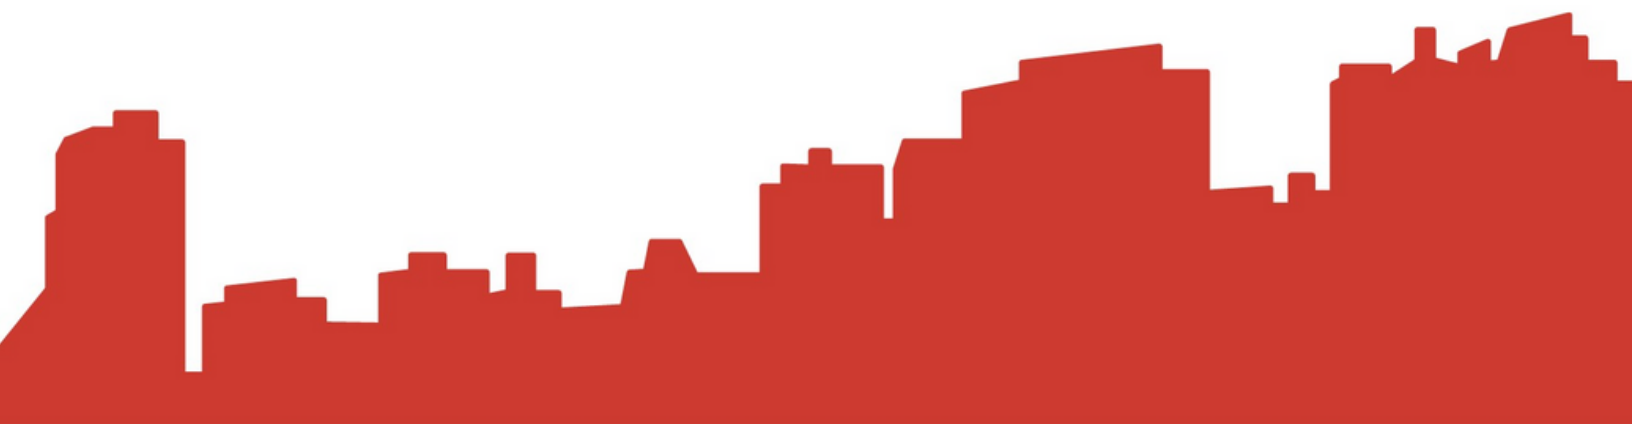

What do I have to do to meet requirements?

- Complete the Self-Assessment Tool prior to submitting continuing education activities in your record
- Meet requirements for maintaining CDM, CFPP certification (45 CE, nine pertaining to Sanitation/Safety, one pertaining to Professional Ethics)
- Pay annual certification fee

Association of Nutrition & Foodservice Professionals
