NC ANFP SPRING MEETING, April 1-3-2020, Mooresville, NC

FALLMEETING, September 23-25-2020, Cherokee, NC

Spring is almost here and our first meeting of the year is April 1-3-2020, at the Charles Mack Center, Mooresville, NC. Registration is now open and the full program agenda will follow. Please share with friends, co-workers, and any students you know.

This is our educational meeting; partners invest yearly in our continued education and programs. The support of our Corporate Partners allows us to keep meeting costs low while providing high quality content. Member attendance is vital to the future sustainability of our Chapter and Corporate Partnerships.

NC ANFP is also celebrating our 50th Anniversary. This milestone was achieved only on the backs, hands and dedication of all members over the last 50 years! The next 50 will only be possible through the same dedication. *That dedication starts with all of us RIGHT NOW!* Let's start the next 50 off right! Let's come together this year for our two meetings, learn new industry practices, network and make new friends or renew old friendships.

CALLING ALL PAST NC ANFP Board Members: join us for one or both meetings and support our chapter. CELEBRATE the time, energy, and work you invested to help us become who we are today!

See you soon,

NOTE: A choice of two hotels is available. See the registration form for information.

NATIONAL NEWS

The CBDM is constantly assessing how the CDM, CFPP certification program can be best administered and credential holders supported in efforts to meet recertification requirements.

Effective June 1, 2020, CDM, CFPP certified individuals whose three-year recertification period is ending May 31, 2020, and have not met all requirements (45 total continuing education hours, including 9 Sanitation/Safety CE hours and 1 Professional Ethics CE hour), **will have their CDM, CFPP certification terminated.**

CDM, CFPPs must submit their CE hours and all required supporting documentation electronically for each reported program in the My Certification page of their ANFP record by May 31 of the year their three-year recertification period ends. Individuals who do not meet all requirements by their recertification deadline and whose certification is terminated will have an opportunity to submit an appeal.

Going forward, all CDM, CFPP certified individuals are required to meet all recertification requirements by May 31 of the year their recertification period ends.

Streamlining the process ensures that recertification requirements are met in a timely way. Previously, certified individuals who did not meet their CE requirements by the May 31 deadline were automatically placed into CE Audit. Now, individuals who are placed into CE Audit are either randomly selected or are suspected of violating CBDM policy.

If you have questions regarding the new policy, please visit www.CBDOnline.org, e-mail info@CBDOnline.org, or call 800-323-1908.

Sincerely,
Tom Thaman, CDM, CFPP
Chair, Certifying Board for Dietary Managers
