

Hello Certified Dietary Managers of New Jersey,

Welcome to our very first chapter newsletter.

This month's focus is simple: how can the New Jersey chapter better support you?

What do you need most right now?

Is it continuing education credits?

ServSafe classes?

Access to the latest industry innovations?

Educational summits and trade shows?

Networking opportunities?

Equipment and product demonstrations?

Connections with dietitians to help guide your path toward becoming a CDM?

We want to hear from you. Your input will help shape where we focus our time, energy, and resources moving forward.

I'd also like to recognize and thank the members who have stepped into leadership roles:

- Brian Schleper, President
- Marc Suppin, Secretary
- Michael Paris, Treasurer
- Miles Scott, Membership Chair

You can find all of us on LinkedIn, please don't hesitate to connect if we have not yet.

I'm genuinely excited to officially get this chapter off the ground. A special welcome and thank you to our new Treasurer, Chef Michael. Your willingness to step into this role was the final piece we needed to move forward, and it means a great deal.

A few quick updates:
