2017 PROJECT

OkANFP Homeless Veteran Project

Oklahoma ANFP is in it's second year of providing new underclothes and hygiene products to our veterans that live on the street.

OkANFP has participated in a event called Standdown.

During standdown, homeless veterans are provided with new under clothes and hygiene products that they desperately need. They are also provided medical, dental services, job assistance, social security assistance as well as many other services. We have participated in the Lawton and OKC standdown by providing over \$300.00 in donated items from our members. Members have donated socks, under garments, toothbrushes, toothpaste, t-shirts, shampoo and soap to name a few plus \$256.00. We would like to thank everyone for the their donations and participation in this charity and helping our homeless veterans.

OKANFP PRESIDENT LETTER

GREETINGS OKANFP MEMBERS

It has been a very exciting year for our state. I have enjoyed serving as your president these past 2 years and have been thankful and impressed about the participation and attendance at our meetings. It has been terrific to say the least.

We have seen many positive improvements in our chapter over the past few years and I look forward to working with all the members, each and everyone to make more changes and get our chapter to where it needs to be. It takes everyone to improve our organization and help pave the way into our future.

I'm excited and honored to be a part of this change and can wait to see what the next year brings.

I hope to see you at our next state meeting coming up in May @ Us Foods.

Sincerely

Belinda Howell CDM,CFPP
OKANFP State President

Please take a moment and look at some of the things we have been involved in this past year. We couldn't do it without all of you. It has been a pleasure being able to help out our homeless veterans with all of the donations you all have helped provide. You are all amazing and thank you all again.
