

Association of Nutrition & Foodservice Professionals

President's Message

Greetings South Dakota members I'm beyond excited for the opportunity to be your president. The most magnetic trait is gratitude and only takes seconds to show gratitude. So to show some gratitude I would like to personally thank everyone for all their hard work and adapting to all the changes this past year. As nutrition and foodservice professionals, we must focus on being present and creating a better future. We must use our fellow CDM's as resources and tools to learn and grow as foodservice professionals.
