

A Special Message from Your President: Amarilys Saluk, CDM, CFPP

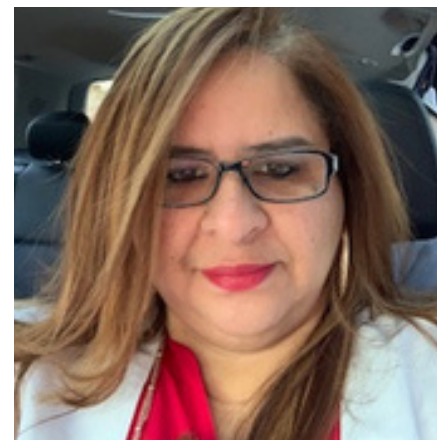

Dear CDM Members,

As the warmth and freedom of summer begin to give way to the crisp promise of fall, we find ourselves entering another beautiful season of growth, purpose, and possibility.

Summer reminds us to pause, recharge, and appreciate the journey. Fall reminds us that change can be the beginning of something extraordinary. Just as the leaves prepare to transform, may we each embrace the opportunities before us to grow, serve, lead, and make a meaningful difference.

As CDM members, we are stronger because we journey together.

Let us carry the joy, lessons, and memories of summer into this new season, while stepping forward with renewed energy and commitment. Whatever challenges or opportunities the coming months bring, let us meet them with faith, courage, unity, and a willingness to support one another.

Some of the Highlights
from ACE (Annual Conference
& Expo) this June in Orlando.
