Summer Edition-2020

Letter from the President

Hello ANFP members,

This is my first letter as Vermont ANFP Chapter President. I hope this letter finds each of you healthy and safe. Denise and I have set some realistic goals for our chapter this year, with our main focus on retaining and recruiting membership. With that being said there are many holes in our volunteer positions. We need someone for Hospitality, Teller, Impact Team, Secretary/Treasurer, President Elect, States Spokesperson, Newsletter editor, and Communications person. Denise and I are currently tackling all positions and managing with our busy schedules. I am confident you would be able to assist us with just one responsibility and we would be there to guide you along the way. We are focused and passionate about keeping our chapter strong and continuing to grow it but we need membership and volunteers with new ideas, creativity and a fresh perspective. Please contact me if there is anything you can do to help our chapter or if you have questions regarding a position. Every bit counts and it will be appreciated!

Most of you may have received the invite for the fall meeting that will be hosted by Reinhart Foodservice. It will be October 14, 2020 and it will be held in Essex Vermont. If you have not, please RSVP so they can get an accurate count. The plan is to have the meeting and be creative on how we can social distance and protect each of you if COVID is still presenting its ugly face! If you are interested in hosting the spring 2021 meeting, please let us know. Again, we will walk you through the process and support you along the way! As you can see below we created an e-mail just for the Vermont ANFP. Please use this for any questions or concerns you may have. We check it regularly!

My Best,

Brandy

About the GrassROOTS Initiatives- Consider making a donation!

ANFP has joined forces on Capitol Hill with The Opportunity America Jobs and Careers Coalition (OAJCC), focusing on two major bills in Congress: the Strengthening Career and Technical Education for the 21st Century Act, which was signed by the President on July 31, 2018, and will incentivize industry-recognized credentials like the CDM; and the Promoting Real Opportunity, Success and Prosperity through Educational Reform (PROSPER) Act, which would reauthorize the Higher Education Act with resources for industry-led "earn-and-learn" programs and more flexible Pell Grants to help students pay for competency-based programs offered with community colleges. In addition, ANFP will continue to foster partnerships with other Healthcare Associations to cover the need for qualified CDMs in healthcare communities.

Join the cause and become a member of the ANFP GrassROOTS network and please consider giving to ANFP's political action committee, ANFP-PAC, which is integral to our visibility and success on Capitol Hill. Finally, please support your state chapter and spokesperson, become a CDM brand ambassador, and mentor and educate new CDMs!
