## June is National Dairy Month

National Dairy Month started out as National Milk Month in 1937 as a way to promote drinking milk. It was initially created to stabilize the dairy demand when production was at a surplus, but has now developed into an annual tradition that celebrates the contributions the dairy industry has made to the world. After the National Dairy Council stepped in to promote the cause, the name soon changed to "Dairy Month."

National Dairy Month is a great way to start the summer with nutrient-rich dairy foods. From calcium to potassium, dairy products like milk contain nine essential nutrients which may help to better manage your weight, reduce your risk for high blood pressure, osteoporosis and certain cancers. Whether it's protein to help build and repair the muscle tissue of active bodies or vitamin A to help maintain healthy skin, dairy products are a natural nutrient powerhouse. Those are just a few of the reasons that you should celebrate dairy not just in June, but all year long.

### Mel Kern, CDM CFPP

It was so great to see everyone at Spring Conference and meet new people. It is so great to get together and share ideas of best practices and what everyone is doing great! Hope everyone is enjoying our gorgeous spring and the snow has finally left us. I am looking forward to going to Orlando next week for National Conference and hope to gain lots of new information to bring back to everyone.

Please mark in your calendars for Fall Meeting which will be held in the Dell's Sept 13th and 14th. I would love to hear how everyone celebrated National Nursing Home week. If you would like to share please send to any of us and we would love to spot light you in our newsletter that comes out monthly now. I hope everyone is enjoying that and we are keeping everyone more in the loop of what's happening in WI ANFP.  
Have a great Summer.

## ANFP WI Scholarship Committee Report

Scholarship Committee: Marlene Adelmeyer- Chair, Cherie Bundrant and Penny Matuszewski.

ANFP WI will be offering two scholarships, one each, to off-set financial expenses associated with an ANFP approved course and CDM Exam registration fees. Our scholarship information and application is included in this Newsletter. The Executive Board and Scholarship Committee hopes to have several applicants for the two Scholarships we are offering. The scholarships will financially assist one applicant each with up to \$400. We don't want any member to feel that either of these processes needs to be a total hardship for you while reaching for your career goals. **Please see the scholarship information in this Newsletter.**

Believe me, it IS worth filling out if you need it. I won a scholarship a while back for the national conference and expo from the National ANFP committee, NFEF-Nutrition and Foodservice Education Foundation. The scholarship helped me as I was in-between positions (ok, I was "let go"!) and wasn't able to justify the extra cash to attend. I was on the ANFP WI executive board at the time so part of that trip was expensed by our WI chapter. This was just one of the advantages I'd experienced by volunteering for an office! 😊

We hope to hear from you if you need us! If you have any questions, please call or email Marlene Adelmeyer, marlene.adelmeyer@gmail.com or 920-229-2717 (can also text to this number).

Respectfully submitted,  
Marlene Adelmeyer, Scholarship Committee Chairperson
