Hello everyone, I hope all is well at your facilities and at home. We have been lucky here in Pepin county, we just got our 1st positive of coronavirus. I am sure a lot of your facilities have seen the illness and deaths. Stay healthy, we are caretakers, but we must remember to take care of ourselves also.

I miss the interaction with everyone at our meetings and seeing what you all are up to. I have finally seen my grandchildren after 7 weeks. It was great seeing their smiles.

As far as Nationals go, Wisconsin has received the Government, Membership, Communication and Platinum Achievement Awards. We also have been nominated for the Diamond Award and only 9 states were nominated, out of the 9 nominations only one will receive it. All of these awards are worked on by the board and the help from you, our members. There is a lot of work put into them, but all worth it for our state.

Stay safe and be healthy.

President-Elect

Rick Eggert

(H) (414) 380-9640

Hello A.N.F.P. Wisconsin Members,

I wanted to share a few updates and Q & A on our upcoming A.N.F.P. Wisconsin Fall State Conference scheduled on September 17 and 18th 2020 in Onalaska, Wisconsin at the Stoney Creek Conference Center. As you are all aware, we are trying to identify our options as well as ensure the safety and health of all our Dietary managers throughout the state of Wisconsin, during this extended COVID virus period. As things begin to open up, you may have these questions, at the back of your mind, on our future state A.N.F.P. events.

1. Question: Will this Fall 2020 State Conference still be scheduled as planned?

Answer: Following C.D.C., state and federal guidelines, as well as direction from nationals and from the conference center itself, we do not have a certain answer yet. However, In this time of uncertainty, we are doing our best to move ahead to continue to plan this event, as scheduled. Conference Center deposits have been put down, buses reserved for our outings, and contract signed for this event. We are reaching out to our speakers to ensure they are comfortable with being with a large group, are continuing to speak monthly with our hosting location (Stoney Creek) on if they are allowed to host our event per state guidelines and are receiving other planning options with Nationals if this event has to be offered in a different online format and how that occurs to receive CEU's.

Updates:

Currently Governor Schreiber, our keynote speaker, has suspended his speaking engagements, until further notice, pending further updates on COVID status in the state and recovery patterns. Due to the size of our meeting space reserved, Stoney Creek can provide increased distancing between seating tables and work with us on proving signage for 6' distancing during meals and registration, if the state allows for larger groups over 50 to meet in one location (to be determined). We are reviewing with Nationals possible options of an online Zoom style conference meeting or teleconferencing, with our speakers remotely at an alternate location , with Q & A with our members, to receive CEU's. if it is not possible for us to meet in a larger group at our preferred meeting location, could our speakers present in a remote location online presentation? This is still in progress.

We are moving ahead with submitting those speakers that still would like to attend, if possible, with the assumption that this conference will be held, in our regular format, as scheduled. However, our state board is planning a contingency backup plan for a possible remote online format, if approved by Nationals, and working through how this would be coordinated and the technology needed to with seven speakers, and 80 – 100 Dietary Managers and the modified registration fee for CEU's for this event. Since hosting locations that provide comped or discounted conference room rental for large groups make up their profit by member sleeping room reservations, F & B revenues, and area retail revenue, many locations are hesitant to go ahead with these group events if it is not profitable, or based on the recommendations and mandatory restrictions by the state. As of right now, we are still on for this event with some modifications on social distancing and speaker changes if needed. As always, if any of our members have a small meeting location for a remote zoom teleconference location, that they would like to offer for no charge, as a last resort, for our board during these dates, please contact Rick at (414) 380-9640.

2. “ I am concerned about not having enough CEU's for our renewal period, especially since our State Spring Conference was cancelled.”

Answer: Our state A.N.F.P. board members have heard from many of you on your concerns that you may not have enough CEU's within your three year certification period to continue your credentialing. In last month's newsletter and again this month, you will find updates on the steps Nationals is doing to ensure that your certification required CEU's will not lapse by placing you into an audit period automatically instead of terminating your C.D.M. license due to non accrual of required CEU's. It is strongly recommended that you visit A.N.F.P. webpage to review current opportunities to receive online C.E.U.'s in Sanitation and Food Safety, Ethics (1 C.E.U. required) and other related topics to continue to earn C.E.U.'s in the interim. In addition, our vendors (Sysco, Reinhart, Martin Brothers and Indianhead Foods) are periodically offering C.E.U.'s on their websites for C.D.M.'s to receive online training inservices. These are generally free or low cost and great opportunities to pickup a C.E.U. each month to continue to grow your training and build your C.E.U.'s for your three year certification period. If you have additional concerns regarding this, please contact Marcia, Rick or any of our state members who can assist you with locating other CEU opportunities.

3.. “I have cabin fever from being at home or work all the time. What other upcoming events are scheduled or in planning for the next year?”

Destination state conferences are a new priority for our ANFP Wisconsin members to provide our members opportunities to travel to fun destinations and see other parts of the state and its area attractions, interesting historical, cultural, state parks, retail and tourist opportunities and enrichment activities planned by the board, during the two day conference. As was the case with Door County last year, many of our members chose to extend their trip into the weekend, to enrich their social lives by exploring other attractions and provide a welcoming respite from the demands of work and other priorities.

Mark your calendar for these destination ANFP State Conference locations/Events:

April 15 and 16, 2021 ANFP Wisconsin State Spring Conference: “Lakeside Exploring”

The Osthoff Resort, centrally located between Milwaukee, Madison, Chicago and the Fox Cities, is located on the shores of beautiful Elkhart Lake, Wisconsin and invites you to their state of the art rooms, lakeside view, courtyard and woodland guest rooms at \$99/night. A destination spa (Aspira Spa) , The Osthoff Cooking school (L 'Ecole de la Maison), two onsite restaurants (Lolas on the lake, Ottos and Elkhart Inn) and lounges, hiking, biking, hoirseback riding, watercraft rentals, bonfire area, indoor pool, two whirlpools and saunas, arcade, tennis courts, golf (Quit Qui OC Golf Club) , Road America and more are available for attendees to enjoy relax and unwind while learning updates and ongoing training in a variety of topics.

September 16, 17, 2021: ANFP Fall State Conference: "A Little Further North":

Break out the road maps.... We are planning to head "Up North" where clean refreshing air, starry clear night skies, the sight of a bald eagle, black bear and loons enchant your senses and don't forget to pack your fishing poles and sightseeing attire. We are heading as far north as the state extends, as we plan our next excursion in the Ashland/Bayfield area, gateway to the Apostle Islands and Lake Superior. Tour an apple orchard with a glass of apple cider in hand, learn the heritage of our Native Americans that founded in this area, play a little blackjack at an area casino or hop a cruise boat to tour the caves and sand bluffs of Madeline Island or the Apostle Islands at sunset. Stay tuned for more details in our upcoming newsletters on this upcoming great conference and travel opportunity.

To Our members....

Thanks for your patience and support of our great organization through this difficult time. We appreciate your comments and suggestions for future speakers, locations and topics that have you scratching your head for answers, on the job. Please email me at reggertknu@yahoo.com if you would like to "get your feet wet" by volunteering each month to join our growing committee to help plan these fun events or have potential speakers that our members would like to hear from.

As of May 29, 2020, the Wisconsin ANFP is **367** members strong; **320** Certified Professional members, 47 Professional non-certified members. Please contact any officer, if you know of a new member or student, so we know who they are and how to keep them informed about events taking place in the Wisconsin ANFP.

Welcome New Members!!

The Government Affairs Committee Impact Team ANFP Members for 2018/2019 is: Renee Taylor, Marcia Kittleson, Laura Knutson, Marlene Adelmeyer, Penny Matuszewski and Millie Zarate. Is there anyone else that would like to be on the Impact Team?

Remember that we need to support PAC – Political Action Committee – this will help Cultivate, grow or maintain our organization.

Congratulations to all. We received the Government Affairs Award – thank you all for your assistance.

We will now start working on this New Year. To stay updated on all that is changing every day, due to COVID -19, now is a great time to participate in electronic media, Tele-Town Hall meetings, and Facebook. Great way to meet legislators at state and federal level. You can share your knowledge and promote ANFP. If you know, any Federal or State Congresspersons or Regulatory Officials that you think would be great to speak at our Conferences, please let the State ANFP Board members know, so we can contact them.

Enjoy the warm weather!!

Items needed in food pantries

Healthy cereals and oatmeal

Kids' snack items (juice boxes, individual applesauce's, etc.)

Toilet paper

Diapers and wipes

Jars and pouches of baby food

Personal hygiene products, like sanitary pads

Toiletries like toothbrushes, toothpaste, shampoo, deodorant, lip balm

Dry pasta

Jars of pasta sauce

Canned fish and meat (salmon, tuna, ham, turkey pop-top cans are best)

Canned vegetables and fruit

Milk, (canned, or powdered)

Peanut butter

Canned beans

Canned and dry soups

Baking mixes that require only water

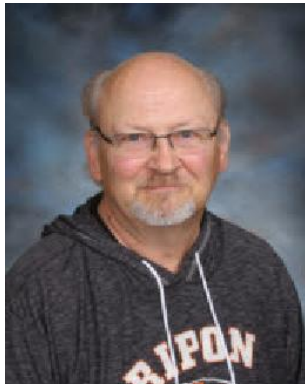

Spices

Mission: Position the Certified Dietary Manager as the expert in foodservice management and food safety.

Vision: The Certified Dietary Manager is the cornerstone of the collaborative Dietetics profession.

Sept 17-18, 2020..... Fall Conference,
LaCrosse/Onalaska, WI

Newsletter Editor

Bruce Link, CDM, CFPP
(c) 307.620.2562
fssolutions13@live.com

I have spent 26 years in ANFP and served in many positions including: National Director-at-Large, State President, President-Elect, State Spokesperson, Treasurer, Newsletter Editor, Pride in Food Service Week Leader, and Public Relations Leader, among many others. I have been involved with membership recruitment and retention, public relations, and vendor participation. Through all this the most important thing has been the memories through the friendships and acquaintances I have made.

Some of those memories include all the “firsts” that I have been a part of. Others have been moments such as traveling for a week with Felicia Smith (Wyoming ANFP) to promote PIFSW, membership and Administrator awareness, Felicia trying to kill me and Lisa Miller, (Gillette, WY), trying to choke me off!

Through all this, has been the personal growth that I have experienced and the networking opportunities that have presented themselves, all because I “volunteered” and got involved!!! This has given me the opportunities that I have now, from a completely different type of job, to being on the “Dickens of a Christmas” parade committee with the Chamber of Commerce, to church, to working with the area school districts as a volunteer.

I encourage you to get involved in ANFP, your facility, community, church and school. Take every opportunity you can to show off your talents, (and you all have a talent, even if hidden), to social network and gain as many new acquaintances as possible. You never know where these opportunities will lead to. Volunteering only takes as much time as you put into it. The more time you put in, the larger the rewards!

Take Care, My Friends! **Continue to Grow!!..... and Stay Healthy and Safe!!!**

State President: Have a good understanding of the Volunteer Manual. You must also have a knowledge of all officer and committee positions and be willing to help other officers, committee chairs, understand their duties. Create the agenda for all executive board meetings and business meetings. Chair all meetings. Follow "Robert's Rules of Order" in conducting your meetings. Oversee activities of the Nominating Committee, Education Committee, and Spokesperson and Impact Committee. Train President-elect in your duties. Communicate with your membership through articles in your newsletters.

Forward all required information to DMA headquarters. Assign duties to each committee and officer to complete State Achievement Award activities. Follow guidelines of the State Achievement Award and submit application by June 1. This is a two year.

State President-Elect: This is a two year term! Once you complete your term as President-elect, you automatically move to the position of President. Once this term is over, you move to the position of Immediate Past President. Acquaint yourself with the responsibilities of the president. Review and understand the entire Volunteer Manual. Assume the duties of the president's office in the absence or disability of the president. Carry out activities assigned to you by the president. Attend all executive board meetings and all membership meetings. Make every effort to audit the National Board of Directors meeting held at DMA's annual meeting, in addition to any special meetings and workshops held for officers. As president-elect you are obligated to learn as much as possible about national & state goals, objectives, policies, and procedures. Serve as a member of the state Budget/Finance Committee. In the spring/summer before your year as president, appoint committee chairpersons and members. Send a written invitation to potential participants that will help explain the purpose and responsibilities of each committee. All appointments should be confirmed in writing. Refer to your state bylaws to determine which committees you must appoint. The types of committee appointments will vary with each state, however, the following ones are routinely appointed:

1. Budget/Finance (often the treasurer is the chairperson)
2. Membership
3. Nominating
4. Education
5. Travel
6. Newsletter (one person is designated as editor)

In addition, your state may have other committees, such as historical and scholarship. This will depend upon the program of work that you and your executive board adopt. Two committees which the state president-elect must appoint are: Nominating Committee. .

State Treasurer: Keeps and reports the financial records of the State DMA Association. Serves a two year term.

State Secretary: Keeps and reports the minutes of the Board of Directors, General

Membership and any special meetings of the State DMA Association. Serves a two year term.

Happy Birthday
To Everyone
Born in June!

CE's from National

With the postponement of the policy that was to be effective June 1, 2020, individuals who do not meet the CE requirements by their May 31, 2020 deadline will be placed into the CE audit versus having their certification automatically terminated. On about June 1, an email notification will be sent to those individuals about being selected for the CE Audit and all required actions. (NOTE: Certificants who report the required CE and update all required documentation may also be randomly selected for the CE Audit.) When required actions are taken, selected individual will have until June 30, 2020, to show proof of meeting recertification requirements and could possibly be eligible for an extension to November 30, 2020 to meet recertification requirements. Once the audit process begins, they can work directly with their auditor to address questions regarding their CE record or other audit-related matters.

Also, please advise members that in-person education is not the only type of eligible CE activities. Please see the [CBDM Guide to Maintaining your CDM, CFPP Credential](#) for information about recertification requirements, including types of eligible CE activities, required documentation that must be uploaded, self-reporting and more.

You can also share that ANFP sends notices throughout the year about free CE available to members.

- Most recently, ANFP has made their Conference All Year Long webinar, Ethics 101: Discovering the CDM, CFPP Code of Ethics, **FREE** to all ANFP members through May 30, 2020. You can view the webinar [HERE](#), along with instructions on how to access the free CE.
- A notice was also sent about how you can earn **one general CE hour** for each registered Benchmarking survey that is completed between March 1 – April 30, 2020. Access a video tutorial on how to register [HERE](#).

ANFP has also made other various CE opportunities free to members. You can find these CE opportunities, as well as discounted CE, by visiting our [Discounted CE](#) page. You can also find CE in your area by visiting our [Find CE](#) webpage.

Individuals may also want to check ANFP Connect for programs that others share that are available from various sources.

Many facilities/companies offer in-service programs and webinars on issues related to the impact of COVID-19 on your facility, your residents/patients, staff responsibilities, etc. This is eligible type of CE when submitted and when required documentation is uploaded.
