At the 2019 Fall Conference the Wisconsin ANFP held a food drive to benefit an Eau Claire area food pantry. This years food drive harvested 236 pounds of food which benefited the Feed My People food pantry in the Eau Claire area. Great job everyone! Let's shoot for 300 pounds next time! Keep up the good work!

Fall has arrived, the leaves are turning colors and the night air has a chill in it. Fall is my favorite time of year, the colors, the smell and the cooler weather.

Thanks so much to all that were able to join us at our Fall Conference in Eau Claire. We had 70 members attend. It was an amazing conference and the tours of the facilities were wonderful. The ones that couldn't make it hopefully we see you in the Spring in Wausau.

Thanks to all who donated groceries or money for the local Food Pantry. We were able to collect 236# of groceries and \$180 dollars. I took it to the "Feed My People" food bank and they were very appreciative of the donations. They stated that for every dollar you donate to Feeding America helps secure and distribute at least 12# of food—the equivalent of 10 meals. So, we were able to provide over 2000 meals. Way to go WI ANFP, you are the greatest.

Make sure you give the letter to your Administrator to thank them for backing you with ANFP. If you do not receive help from your Administrator, you may contact me, and I will call them and explain how important continuing education is and that their facility will only benefit from coming to the meetings.

Reminder if you do any kind of fundraiser for your community please take pictures and a small write up and send it to me. Thanks so much for your effort and kindness for the community. We have a great start towards our goal of submitting and obtaining the Diamond Award. Only one state receives this award every year and it would be awesome for Wisconsin to receive it in Las Vegas.

Thanks for all you do to make WI ANFP an amazing Chapter.

My sincerest gratitude

Fall is here and we are moving into the busy holiday season. I hope you all have your holiday plans in place and ready to move forward. Remember that as we go through the busy holiday season that you take care of YOU! The holiday season is one of the most stressful times of the year for most of us. Take time to breath, relax, unwind and refresh yourself. Get enough sleep, stay hydrated, eat regularly and most all stay healthy! Delegate and let your staff help you.

Until next month...Live Long, and remember.....Failing to Plan is Planning to Fail!
