PRESIDENT'S MESSAGE

New Year's Promises

As we reflect on the past years accomplishments, successes, aspirations and goals in the New Year, we are so blessed to have the best ANFP members in Wisconsin.

Your enthusiasm, perseverance during the ongoing pandemic and short staffing challenges demonstrate that we all winners for overcoming tremendous obstacles to ensure quality care for our seniors, patients and all those we are entrusted to care for. As we continue to build our organization with mentoring our new officers and growing our membership, our Executive Board will continue to serve your interests, support and expand your credentials and certification to prepare us for the challenges that lie ahead. Best wishes for continued success and happiness, good health and prosperity in 2023!

Rick Eggert, WI ANFP President

LEGISLATIVE UPDATES

December, 2022

Government Affairs – ANFP Spokesperson – Sheila Luhman, CDM CFPP

The Government Affairs Committee Team ANFP Members for 2020/2021 is: Renee Taylor, Marcia Kittleson, Laura Knutson, Patricia Dover, Trish De Leo, Katie Sedbrook and Millie Zarate.

Is there anyone else that would like to be on the Brand Ambassador Team that focuses on Legislation?

The Government Affairs Committee is responsible for developing and implementing comprehensive and effective government affairs strategies for ANFP at both the federal and state levels.

ANFP's Government Affairs committee and Chapter's spokesperson volunteers continue to advocate for CDM, CFPPs with local and state legislators providing a toolkit and data statistics that include the current number of states that recognize the credential, a map outlining the number of long-term care facilities and ANFP – approved programs in each state. Connecting with legislators provides an opportunity to share impactful stories and to make a difference on the issues that CDM.CFPPs care about!

The Latest CMS LTC SNFS : Has two or more years of experience in the position of Food and Nutrition Services in a Nursing Facility setting and has, by no later than October 1, 2023, completed a course of study in Food Safety and Management that includes topics integral to managing dietary operations including, but not limited to, food borne illness, sanitation, procedures and food purchasing/receiving

The new qualifications and requirements cannot be met by having taken a course of study alone but must be accompanied by TWO Years Of Experience as Director of Food and Nutrition Service.

Be Proud of the Credential you have earned and continue to encourage others to join us and become experts in Food Service Management and Food Safety.

Thank you all for your efforts in being great Leaders to all your staff. You represent ANFP so professionally. Continue to share your knowledge with residents, families and business associates. Share with others what motivates you. By your examples, others see how strong our Organization is.

Remember to get to know your Legislators. Attend your Local – Virtual – Town Hall meetings, do public service activities in your community. Promote CDMs to administrators. There are usually guest Speakers – US Representatives at many events. They give you opportunities to engage with legislators to advocate for issues that matter most to your business. Invite them to your facility.

It might be Hard to believe but it's true- we're turning the page on another year! No matter what you went through last year, perhaps a good way to start 2023 is by embracing the word rejoice. Some thoughts for the new year is to make a list of what you could do better. Another thought is to make a list of people who give you joy even when you can't see them. May these new thoughts enrich and encourage you and help you to rejoice in this new year.

Sheila Luhman CDM,CFPP. Sheila.luhman@atticangel.org.

Welcome
