**Happy Spring Everyone! Thank you to all that were able to make it to the Regional Meeting down in Milwaukee, a good time and a lot of great education. I would encourage you to consider attending ACE in June in New Orleans, scholarships can be had to help with costs, just reach out to one of our Board members for information.**

**I would also like to invite you all to attend and participate in our monthly Board Meetings. It is always the second Wednesday of the month at 3pm. If you would like to have an invitation sent to you, just shoot me an email and I would be happy to forward the information to you. It takes place on Teams, so you can call in or use the Web. All are welcome, we just ask that you mute your line to allow for our regular business to be conducted. Anyone attending will be given an opportunity to ask questions on items we are discussing.**

**Hope to see you soon on our meetings or in person at ACE or our Fall Meeting Sept 21-22 in Oshkosh!**

Have you thought about going to our national conference "ACE" in New Orleans? The board has budgeted \$2000 for our members to help offset the price of registration/travel/hotel. The funds will be dispersed equally between members; the maximum reimbursement being \$400. Please let me know if you will be attending ACE.

Wisconsin State Secretary

We would love to showcase some great things you do during Nursing Home Week. Please email me pictures to included on Facebook page and in NewsBlast!

Thank you,

**Government Affairs/Brand Ambassador**

I am excited to be able to head up this new title for the state of Wisconsin. We have seen many changes in my 27 years as an active member in this great association of ours.

I want to Thank Sheila Luhman for all her dedicated years as our government affairs spokesperson and hope to fill her shoes as she enjoys a very busy retirement from working at Attic Angels as their director

of dining services for many years.

I am grateful she will be staying by my side as a mentor and team leader.

In this new role I hope to increase our member engagement, learn where are members are working and what we need to offer them as continued education to keep being the leading professionals in Foodservice in the healthcare, schools and jails and all other foodservice arenas we cover as CDM,

CFPP's.

I look forward to being available to all our members and offering my support in growing our association

as the best in Foodservice industry.
