Happy New Year fellow CDM's! I am excited for the future and I hope you are as well. After planning my first conference last fall in Casper I learned a lot about what goes into putting a conference together. I can promise you, I will always try to do better and I hope to meet your needs as professionals in the foodservice industry. The conference surveys, and your comments on them, provided a lot of insight into what you would like to see in the future. I am always willing to listen and I hope you take time to reach out to me and express your concerns in your department, facility, and ANFP.

Thanks to the help of Dawn Cooper in Evanston and Utah's State President Cathy Oberbeck, we will be having a great Spring Conference in Evanston. We look forward to seeing our regular attending members as well as some new faces from Wyoming and Utah. Keep an eye on our Facebook Page for conference updates, CE opportunities, birthdays, national information, and more at www.facebook.com/wyoanfp. You can reach out to me through our Facebook page or email me at tskaggs@mhccwyo.org

Greetings Wyoming ANFP Family,

I hope it has been a great holiday season for you and your families. With spring on the way we are busy planning for the Day at the Capital. Everyone should have received an email with the tentative agenda for February 4th-6th, 2019. We look forward to visiting with our members and legislators. This has been a really successful venture in the past thanks to Steve Owens and TJ Schoenewald's leadership. We will be serving a continental breakfast to the legislators as well as visiting each of their sessions. We are holding this event on Pride in Foodservice Week as a way to celebrate Healthcare Foodservice for the state.

We are also working on the plans for the spring Conference which is being held in Evanston on April 24th-26th. Final details and an agenda will be sent out soon.

If you have the opportunity to attend a Regional Meeting, I also highly recommend them. Toni and I will be attending the Regional Meeting in San Diego on March 13th and 14th. There is also a Regional Meeting in Pittsburgh on April 4th and 5th.

ACE is being held in St. Louis this summer on June 26th-29th. If you have the opportunity to take advantage of any of these events I highly recommend them. The educational opportunities are great and the networking leads to lifetime friendships and resources. Please keep in mind there are grants available through NFEF and also Wyoming Workforce Development. Hope to see you there.

Our **FoodService Rewards** points total stands at 24,133 points. e-mail codes and expiration date may be sent to **Robin Hilbird** at: rhilbird@mhccwyo.org

Sunday, February 3, 2019 is the biggest sports holiday of the year! It's Super Bowl Sunday or the Big Game! Many of you do special Super Bowl parties for your residents. Share with your fellow Dietary Managers what you do in your home that is enjoyed so much by your residents. Send me your Super Bowl news and photos. I will get it in the newsletter.

Then, following the Super Bowl, there is Pride In Food Service Week, Feb 4-8. Again, please send me your information and pictures about what you did for PIFSW. We want to share your story.

Valentine's Day on Thursday, Feb. 14th. I know most of you do special things in your home for the residents, even if it doesn't involve food. Please share it with us. Inquiring minds want to know!

What do you do in your resident home? Please share with us. We are doing special things nearly every month and I know from my own experience that you are doing things for your residents. Tell us about it and let me highlight it in the newsletter.

Also, I am building a data base of Administrators and vendors to include in our newsletter mailings. I am asking for your help to build this. I have learned that by sending our newsletter to Administrators and our vendors, that we get better support in our local facilities as well as our state functions. When they understand how, when and why we do things, they provide much support.

Until next month.....Live Long, and remember.....**Failing to Plan is Planning to Fail!**
