Chapter Leaders' Updates

Psychological and emotional wellness is an ongoing process for everyone.

C. Kennedy, Omorphi

CHAPTER PRESIDENT UPDATE:

Greetings Wyoming ANFP Family,

Happy fall to everyone!! September was a whirlwind, but in a good way. We finally had the opportunity to celebrate our 50th anniversary and WOW what a conference it was. We had 19 attendees in person from Minnesota, Colorado, Utah, South Dakota, and Wyoming. We had up to 83 virtual attendees from all across the country attend. Our speakers presented on leadership, customer service, financial training, sanitation, ethics, we host a round table on staffing, recognition, recruitment, and customer service. Everyone had such great input and ideas, and it was actually refreshing to just know we are all deal with the same obstacles. Thank you to everyone that attended, it was great to see you face to face and the opportunity to meet new people. Congratulations to all of our winners!! Bruce Link was awarded the WY ANFP Legacy award. Bruce had contributed to our chapter in so many ways and often keeping the chapter going. Thank you, Bruce for your leadership and mentorship and for sharing your passion with us. Congratulations to our 2019 CDM of the Year, Linda Osmond, our 2020 CDM of the Year, Jessica Holcomb, and our 2021 CDM of the Year Mary McKillip. It is a true honor to recognize each of your contributions to your facilities and communities. Thank you for being an inspiration to us all.

I look forward to what our spring conference is going to bring! Stay tuned for updates as we start our planning.

Thanks, Felicia Smith WYANFP President

Chapter Leaders' Updates

CHAPTER TREASURER UPDATE:

Happy October to all of you . . .

Hope this finds each and every one of you well! I want to thank you for making our Wyoming ANFP 2021 Fall Conference such a success. We could not have done it without you. It was wonderful meeting new people from other states and seeing many of you in person. WOW, what a virtual presence as well. Thank you to those of you that could not attend in person and still made time in your day to join us virtually. We should be calling it our “Rocktober” conference – because we all certainly “rocked” it together!

It was enlightening to be able to visit with everyone and discuss their needs. It was not surprising to hear we are all facing similar challenges. Remember, should you have questions, comments, or just need to talk to someone, you can reach out to any one of us!

On October 1st, crossing the bridge across North Platte River, I was reminded that October is “**Breast Cancer Awareness**” month – because our community has bras strung across both sides of the road along the sidewalks. [The Spruce](#) says the following:

October is best known for its Halloween festivities, but it's also a month loaded with national and global celebrations. In addition to spooky revelry, October's schedule includes multiple days on the topic of bullying awareness, encourage pasta-lovers to rejoice, and celebrates earth science, chemistry, and space. Take a moment and check it out.

“THANK YOU” to each and every one of you for everything you do – you are making a difference in peoples’ lives on a daily basis! Every action and thought makes a difference and brings about change!

The checking account balance is: \$5706.65

The saving account balance is: \$944.48

Thanks, Robin Hilbird-Bardgett WYANFP Treasurer

CHAPTER COMMUNICATIONS LEADER UPDATE:

What an incredible Fall conference! Thank you to everyone that participated, in person and online. We had such a great turnout and awesome engagement from our audience. We had multiple CDM's from all of our surrounding states and we even had a member drive from Minnesota to attend in person. As someone who has had a hand in putting these events together for the last few years I can say it was everything we had hoped for. When all the hard work pays off with excited & engaged members it feels like a true accomplishment. We love hosting in Douglas because our hospital is very supportive. Our meals are donated, some events were held on our hospital campus, and we pull some of our speakers from the hospital. Between the hospitals support and the Adversity Rebate from nationals we were able to offer this conference FREE to our members. If you follow our Wyoming ANFP Facebook there were live videos of some of the speakers, some of the hospital tour, and our awards ceremony. Thank you to everyone that filled out an evaluation and gave us any feedback. We use that information to plan future conferences. We do this for all of you and we want to make sure we are giving you the topics and tools that will help you the most!

Thanks, Toni Skaggs CDM CFPP WYANFP Communication Leader
