MAY MEMBERSHIP MILESTONES

Congratulations to our members that hit milestone membership anniversaries. We will begin recognizing: 1, 5, 10, 15 years, etc each newsletter.

[Congratulations Charisse Mettler for 1 year as a CDM CFPP!](#)

Chapter Leaders' Updates

CHAPTER PRESIDENT UPDATE:

Greetings WY ANFP Family,

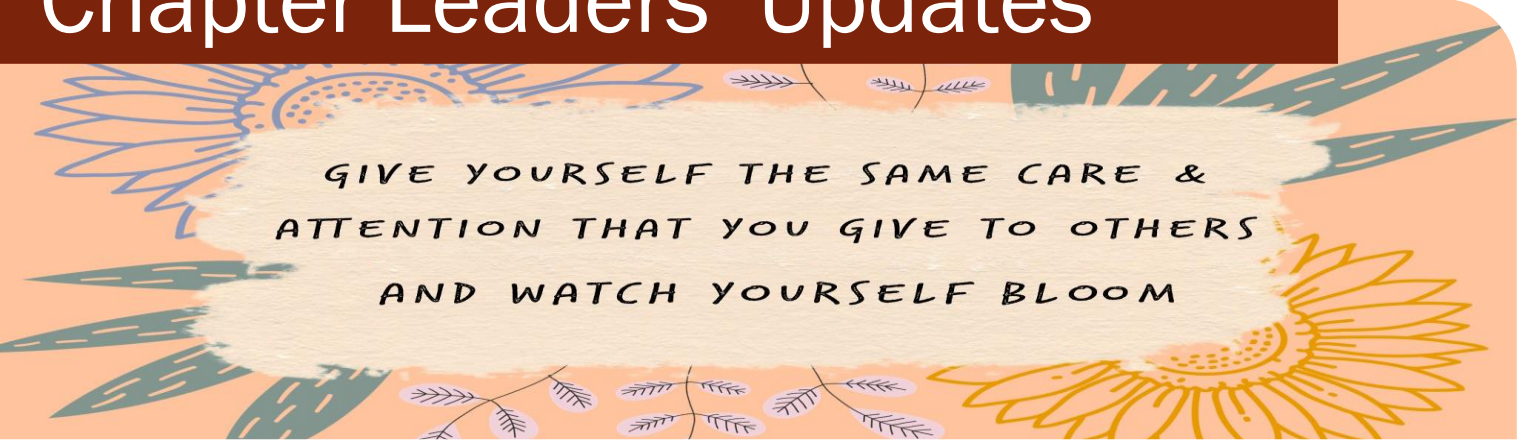

I was wonderful to see all the familiar and new faces at our Spring Conference in Sheridan. It was also great to have our online attendees join us from Wyoming and Montana. You have got to love Wyoming and Montana Springs. You just never know what you will get this time of year. We had a great variety of topics from our speakers and presenters that joined us from Iowa, North Carolina, Texas, and Pennsylvania. It was also great to just reconnect with each other. I always look forward to seeing our members not only to connect and rebuild those relationships but to also learn from each other. While COVID taught us to communicate better in a remote settings, but it also taught us to cherish those times we have together and not take them for granted.

During our spring conference we covered topics on leadership, sanitation, preparedness, nutrition, utilizing local resources and CMS tools. It was a great time with a lot of laughs and connecting with old and new friends.

I hope to see our members at ACE in Scottsdale, AZ in June.

Thanks, Felicia Smith WYANFP President

Chapter Leaders' Updates

GIVE YOURSELF THE SAME CARE &
ATTENTION THAT YOU GIVE TO OTHERS
AND WATCH YOURSELF BLOOM

CHAPTER TREASURER UPDATE:

Our 2022 WY ANFP Spring Conference in Sheridan was fantastic! We were greeted with our wonderful Wyoming weather and would have it no other way! We had many positive responses to our speakers, topics and availability of in-person/virtual attendance. It was great to hear from our great friends and network with each other!

The 2022 ANFP Annual Conference & Expo is coming up in June from the 26th-29th. This is such an excellent opportunity for not only continuing education credits; but also, the networking with others in our profession. We gain so much knowledge and insight to help us in our own facilities. ACE is also an opportunity to keep up with best practices and what has worked or hasn't worked for others. This year ACE is being held at Talking Stick in Scottsdale, AZ.

Should you have any ideas, topics, concerns, questions or comments, please do not hesitate to contact us! You may contact us through our emails; telephone numbers; or through the Wyoming ANFP Facebook page! "THANK YOU" to each and every one of you for everything you do – you are making a difference in peoples' lives on a daily basis! Every action and thought makes a difference and brings about change!

Remember . . . we all make a difference and bring about change!

The checking account balance is: \$2,244.45 (*this balance does not reflect some expenses for the conference to date.*)

The saving account balance is: \$1,119.54

Thanks, Robin Hilbird-Bardgett WYANFP Treasurer

Chapter Leaders' Updates

CHAPTER COMMUNICATIONS LEADER UPDATE:

We had an excellent Spring conference in Sheridan, Wyoming. Thank you for those that attended in person or virtually. Please know that the virtual part is still a little new to us and we have a LOT of technical difficulties to work through, for each session it seems. We had issues with the original links and had to quickly make new “meetings” and send the new links out to people to be able to join. We had numerous issues with the power point screen sharing with the virtual folks. We are learning a little more every time around and try really hard to make it run smoothly. If you are noticing an issue while you are on virtually just drop a comment in the chat and we will try to work it out without interrupting the session as best as possible. We also have an issue with getting everyone’s emails together for all of the information that gets sent out afterwards. You can all help us with that by dropping your email in the chat when you join a session. Or by making sure you have your name as your username in the program. Sometimes when you log in from a phone it just has a phone number and if we don’t notice it right away and ask, we might not know who that belongs to. Logging in early can be helpful too. Sometimes we have to take a couple screenshots of attendees and then get started with the session. If you are logging in 5-10 minutes late we may not even see you join. We are always trying to make our meetings better for all of you so if you ever have any suggestions please let us know. We could always use fresh ideas.

We are on our way to planning our Fall conference. We are teaming up with the South Dakota chapter and it will be held in Deadwood. We are hoping for a good turnout in this fun historical location. Come in person and network with our neighbors!

I am looking forward to ACE this year and hope to see a few familiar faces!

Thanks, Toni Skaggs CDM CFPP WYANFP Communication Leader
