WHY BECOME A CHAPTER CHAMPION?

Your participation shows your chapter's support of the Foundation's goal to raise the visibility of the CDM, CFPP credential and further its mission.

Your support allows NFEF to assist fellow certified members in need of financial assistance with annual dues and certification fees due to job loss, facility closures, medical diagnoses, and much more.

Donations are restricted and used solely for the Member Dues and Certification Fees grant program. Together, we can build this fund for the future!
